Emeneau, Charles A. Fergusson, 2016-11-21 No detailed description available for Linguistics in South Asia Trans-Colonial Modernities in South Asia Michael S. Dodson, Brian A. Hatcher, 2013-02-28 Presenting cutting edge scholarship dedicated to exploring the emergence and articulation of modernity in colonial South Asia this book builds upon and extends recent insights into the constitutive and multiple projects of colonial modernity Eschewing the fashionable binaries of resistance and collaboration the contributors seek to reconceptualize modernity as a local and transitive practice of cultural conjunction Whether through a close reading of Anglo Indian poetry Urdu rhyming dictionaries Persian Bible translations Jain court records or Bengali polemical literature the contributors interpret South Asian modernity as emerging from localized partial and continuously negotiated efforts among a variety of South Asian and European elites Surveying a range of individuals regions and movements this book supports reflection on the ways traditional scholars and other colonial agents actively appropriated and repurposed elements of European knowledge colonial administration ruling ideology and material technologies The book conjures a trans colonial and trans national context in which ideas of history religion language science and nation are defined across disparate religious ethnic and linguistic boundaries Providing new insights into the negotiation and reinterpretation of Western knowledge and modernity this book is of interest to students and scholars of South Asian Studies as well as of intellectual and colonial history comparative literature and religious studies **Welsh missionaries and British**

imperialism Andrew May,2017-02-01 In 1841 the Welsh sent their first missionary Thomas Jones to evangelise the tribal peoples of the Khasi Hills of north east India This book follows Jones from rural Wales to Cherrapunji the wettest place on earth and now one of the most Christianised parts of India As colonised colonisers the Welsh were to have a profound impact on the culture and beliefs of the Khasis The book also foregrounds broader political scientific racial and military ideologies that mobilised the Khasi Hills into an interconnected network of imperial control Its themes are universal crises of authority the loneliness of geographical isolation sexual scandal greed and exploitation personal and institutional dogma individual and group morality Written by a direct descendant of Thomas Jones it makes a significant contribution in orienting the scholarship of imperialism to a much neglected corner of India and will appeal to students of the British imperial experience more broadly
