The Great Animal Orchestra Bernie Krause, 2012-03-19 Musician and naturalist Bernie Krause is one of the world's leading experts in natural sound and he's spent his life discovering and recording nature's rich chorus Searching far beyond our modern world's honking horns and buzzing machinery he has sought out the truly wild places that remain where natural soundscapes exist virtually unchanged from when the earliest humans first inhabited the earth Krause shares fascinating insight into how deeply animals rely on their aural habitat to survive and the damaging effects of extraneous noise on the delicate balance between predator and prey But natural soundscapes aren't vital only to the animal kingdom Krause explores how the myriad voices and rhythms of the natural world formed a basis from which our own musical expression emerged From snapping shrimp popping viruses and the songs of humpback whales whose voices if unimpeded could circle the earth in hours to cracking glaciers bubbling streams and the roar of intense storms from melody singing birds to the organlike drone of wind blowing over reeds the sounds Krause has experienced and describes are like no others And from recording jaguars at night in the Amazon rain forest to encountering mountain gorillas in Africa's Virunga Mountains Krause offers an intense and intensely personal narrative of the planet's deep and connected natural sounds and rhythm The Great Animal Orchestra is the story of one man's pursuit of natural music in its purest form and an impassioned case for the conservation of one of our most overlooked natural resources the music of the wild

War Story Steven V. Elliott, 2019 Everyone knows about Pat Tillman the hero who didn't come home after a tragic encounter with friendly fire in Afghanistan Aftermath is the untold story of what happened in the accident's wake and the fall and unlikely redemption of Steven Elliot a fellow soldier behind the bullets that killed Tillman Though Elliott was only a young man in his first gunfight following his superior officer's direction the shame and regret over his actions wrecked his life In the years that followed he suffered from PTSD depression and alcohol addiction and saw no way out beyond suicide But then a supernatural encounter with God changed everything restored his broken marriage and set him on the path to a new mission of helping veterans through the trauma that too often comes in the aftermath of their service A story of war and faith love and tragedy and ultimate healing
