as how to better listen to your loved ones and how to fulfill your soul's purpose To get a sense of how the four elements manifest for you think of a time when you felt Mentally clear that's air Grounded and centered that's earth Flowing and feeling that's water Creative and Dynamic that's fire Written with the beginner in mind but offering insight to the experienced student of astrology A Map to Your Soul is a 12 part journey through the way the elements express themselves in your life By balancing and supporting the elements within us we can finally truly flourish BUCKLEY, BATMAN & MYNDIE: Echoes of the Victorian culture-clash frontier ,2021-01-01 Sounding 1 BEFORE 1840 The notes journals and characters of Aboriginal Protectors William Thomas and his Chief George Robinson form the backbone of this compilation With this ethnographic material we learn something of the Kulin worldview into this mostly white fella history Sounding 1 Before 1840 describes the initial British and European experiences events observations intentions self serving judgements ignorance naivete treachery and so on when they found Oz and proclaimed the continent theirs by the now obvious fiction of terra nullius Latin legalese for land belonging to no people The reader may enjoy separating the grains of truth from the chaff propaganda of Empire capitalism or racist sectarian Christian bible dogma that was the self serving mindset of the white land takers Batman and Fawkner's land hunting deals with local koori's along with the re emergence of the remarkable wild white castaway Buckley made their mark on the first settlement at Melbourne The focus widens in 1836 with Surveyor General Major Mitchell's and his Wuradjuri guides conquering the interior from the Murray near Mildura to the Western District at Portland and then back north east across the state to the Murray upstream at Albury His wheel tracks opened up Victoria from the north First contact race interactions at Port Phillip and the notion of cultural coexistence during the first five years leads to the role of successful battler and publican Fawkner in the colonial invasion process from Kulin country to sheep run to city Sounding 1 then winds up with Melbourne's first executions and descriptions of Port Phillip as the money melting pot forming the Melbourne hub of world capitalism Twentieth century academic studies now identify native religion language zones tribal locations and clan heads at the time of dispossession by pirate capitalism In describing the Australian land rush the chapter echoes oscillate between history sociology race theory trade and class wars whaling and sealing imperialism and the monopoly East India Company army mates all pitted against the vanishing race of hunter gathering savages The dispossession was virtually complete in Victoria before the 1850's gold rushes transformed the sheep runs into banker's dividend wealth for the winners Sounding 2 DISPOSSESSION AT MELBOURNE Sounding 2 unfolds gently with a wistful early Melbourne memoir involving Batman's lost lawyer Gellibrand in 1836 but then we confront the frontier kill or be killed point of necessity The violent life times and fate of mass murderer Fred Taylor who was first employed as overseer for banker Swanston's Bellarine peninsula land grab sets the local dispossession tone Taylor's repeated atrocities today exposes a credibility gap in Oz between civilized progress and slaughter that now looms over all else in Victoria's birth as an independent state in 1851 The winter of 1837 saw the first violent death of a white squatter and his servant by savage

natives north west of Williamstown at Mt Cotterell Town leaders such as Fawkner and police chief Henry Batman formed a posse that also included clan heads from both the Melbourne and Geelong tribal areas Buckley refused to take part in the vigilante party and its punitive actions belied the humanitarian standards expressed in Batman's treaty deed This revenge slaughter and destruction of villages by the white invaders forced the Sydney government to investigate and so began administering law and order at Port Phillip By 1838 Sydney trumped Batman's land grab and the penal government of NSW on the one hand executing eight whites for killing what the newspapers called savages while on the other hand providing sufficient speedy cavalry to tackle black resistance in Victoria at places such as west of Colac and near Benalla after the Faithfull massacre The arrival in 1839 of first governor La Trobe and the Aboriginal Protectorate plan then unfolds the development of town civic structures while tribal life disintegrates Government and private measures to tame the naked Melbourne natives culminated with the dawn Merri Creek round up in October 1840 of hundreds of Kulin by Major Lettson's redcoats and townsmen This appears as the death blow to tribal life and with the first shiploads of migrating British colonists arriving in 1841 near genocide for the Kulin Mara Kurnai and Murray River first peoples
