

# Biblical Modesty

@forallisthroughhim

1.

Modesty is about your heart posture with God.

2.

Modesty is about your clothing and deeds honouring God.

3.

Being modest is a profession of your worship to God.

4.

Being modest shows your unfading beauty of a gentle and quiet spirit.

5.

Modesty is an act of showing respect to your body which the Holy Spirit lives in.

6.

Modesty shows you put your hope and submission in God.

# Modest Words

## Modest Words:

*89 Words followed by Prague, A Disappearing Poem* Milan Kundera, 2025-10-07 Two newly translated works from one of the greatest literary writers and thinkers of the modern age available together in English for the first time Translating a work from its original language can be complicated it s a complex art that can easily mar and twist the intent and meaning of a writer s words Precise translations were of particular importance to Milan Kundera who did not live to see all his books published in his native Czech language Words for Kundera were the object of constant scrutiny This fascinating volume includes two Kundera works from the 1980s originally written for the now defunct French magazine *Le Debat* which have never been available in in English In *89 Words* Kundera wryly recounts the many pitfalls in reading his own poorly translated works When a friend of Kundera s asked him about the words he considered the most the ones he fretted over and loved Kundera created a personal dictionary his *89 Words* This discerning essay steeped in his signature barbed cheekiness showcases his casually gutting philosophical reflections on what it means to be a writer in translation the exile of life and art in another language In the second work *Prague A Disappearing Poem* Kundera writes with a wistfulness and despair for his ever more distant home offering an intimate look at the specificity of his native culture the richness of a heritage born in a small nation but whose significance is universal Here like in *A Kidnapped West* we find the double condemnation of Soviet civilization which had suffocated and persecuted Czech culture and of Western Europe which refused to neither acknowledge Kundera s culture or understand it Prefaced by lauded French historian Pierre Nora and translated from the French by award winning Matt Reeck these two texts return us to Kundera s much missed living presence Subtle alive and full of wit and irony *89 Words followed by Prague A Disappearing Poem* is an homage to a literary legend and a reminder of just how prescient his words and insights are today

Vol.1 - new quarterly ser. no.20* ,1884 **Confronting Colonial Objects** Carsten Stahn,2024-05-23 The treatment of cultural colonial objects is one of the most debated questions of our time Calls for a new international

cultural order go back to decolonization However for decades the issue has been treated as a matter of comity or been reduced to a Shakespearean dilemma to return or not to return *Confronting Colonial Objects* seeks to go beyond these classic dichotomies and argues that contemporary practices are at a tipping point The book shows that cultural takings were material to the colonial project throughout different periods and went far beyond looting It presents micro histories and object biographies to trace recurring justifications and contestations of takings and returns while outlining the complicity of anthropology racial science and professional networks that enabled colonial collecting The book demonstrates the dual role of law and cultural heritage regulation in facilitating colonial injustices and mobilizing resistance thereto Drawing on the interplay between justice ethics and human rights Stahn develops principles of relational cultural justice He challenges the argument that takings were acceptable according to the standards of the time and outlines how future engagement requires a re invention of knowledge systems and relations towards objects including new forms of consent provenance research and partnership and a re thinking of the role of museums themselves Following the life story and transformation of cultural objects this book provides a fresh perspective on international law and colonial history that appeals to audiences across a variety of disciplines This is an open access title available under the terms of a CC BY NC ND 4 0 International licence It is free to read on the Oxford Academic platform and offered as a free PDF download from OUP and selected open access locations
