Men Explain Things To Me Rebecca Solnit:

Men Explain Things to Me Rebecca Solnit, 2014-11-06 Rebecca Solnit's essay *Men Explain Things to Me* has become a touchstone of the feminist movement inspired the term mansplaining and established Solnit as one of the leading feminist thinkers of our time one who has inspired everyone from radical activists to Beyoncé Knowles Collected here in print for the first time is the essay itself along with the best of Solnit's feminist writings From rape culture to mansplaining from French sex scandals to marriage and the nuclear family from Virginia Woolf to colonialism these essays are a fierce and incisive exploration of the issues that a patriarchal culture will not necessarily acknowledge as issues at all With grace and energy and in the most exquisite and inviting of prose Rebecca Solnit proves herself a vital leading figure of the feminist movement and a radical humane thinker

Men Explain Things to Me Rebecca Solnit, 2015 A landmark essay that went viral inspired the word mansplaining and prompted fierce arguments

Summary of Rebecca Solnit's Men Explain Things To Me Everest Media, 2022-03-01T21:00:00Z Please note This is a companion version not the original book Sample Book Insights 1 The Slippery Slope of Silencings is the phenomenon where people of both genders pop up at events to hold forth on irrelevant things and conspiracy theories but the out and out confrontational confidence of the totally ignorant is in my experience gendered 2 The presumption that women are unnecessary is a war that every woman faces every day It is a belief in their superfluity and it invites silence There is a happy medium between these poles and we should all meet there 3 The struggle of feminism to make rape date rape marital rape domestic violence and workplace sexual harassment crimes legal has been to make women credible and audible 4 In speaking engagements I often encounter men who explain things to me And they almost always do it in a manner that makes me feel like I lack intelligence

The Woman Question in Islamic Studies Kecia Ali, 2024-09-17 The interconnected ways that sexism functions in academic Islamic studies and how to shift professional norms toward parity Despite remarkable shifts in the demographics of Islamic studies in recent decades the field continues to be dominated by men who often relegate other scholars and their work particularly research on gender to its periphery while treating subfields in which men predominate as more rigorous and central In *The Woman Question in Islamic Studies* Kecia Ali explores the interconnected ways that sexism functions in academic Islamic studies Examining publications citations curricula and media representations

Ali finds that despite the growth and depth of scholarship on Islam and gender men continue to overlook women's scholarship even in work that purports to discuss gender issues. Moreover, media and social media dynamics make talking about Islam and Muslims for broader audiences especially fraught for scholars who are not men, particularly when the topic is gender or sexuality. Combining broad surveys with more focused analyses of a smaller set of texts, Ali shows that textbooks and syllabi continue to exclude women as historical actors and scholars and to marginalize gender and sexuality as subject matter. Finally, she provides a Beginner's Guide to Eradicating Sexism in Islamic Studies, offering practical strategies to help scholars avoid common pitfalls in their own work and contribute to broader professional transformations.

The Portable Feminist Reader Roxane Gay, 2025-03-25. A New York Times Bestseller. A dynamic and strikingly relevant look at a feminist canon as expansive rather than definitive. A Penguin Classic. For Roxane Gay, a feminist canon is subjective and always evolving. A feminist canon represents a long history of feminist scholarship, embraces skepticism, and invites robust discussion and debate. Selected writings by ancient, historic, and more recent feminist voices include Henricus Cornelius Agrippa, Anna Julia Cooper, Kimberl Crenshaw, Dorothy Allison, Leslie Feinberg, Eileen Myles, Mona Eltahawy, bell hooks, Sara Ahmed, Cherr e Moraga, Audre Lorde, *The Guerrilla Girls*, and many more. With an introduction, headnotes, and an inspired list of multimedia recommendations, Roxane Gay presents multicultural perspectives: ecofeminism, feminism, and disability feminism; labor, gender perspectives, and Black feminism. Through *The Portable Feminist Reader*, readers explore the state of American feminism, its successes and failures, and what feminism looks like in practice as a complex, contradictory, personal, and political, and ever-growing legacy of feminist thought.

Women in Populist Rhetoric Agnieszka Kasińska-Metryka, Karolina Pałka-Suchojad, 2025-07-28. At a time of increasing right-wing populism, *Women in Populist Rhetoric* examines the relationship between populist rhetoric and the real social changes that affect women and how populists gain prominence through the support they receive. Covering a broad spectrum of right-wing group activity in Western, Central, and Eastern Europe, including Hungary, France, and Czechia, this volume takes an important look at the phenomena at the level of leadership and the practice of its operation. The book is divided into four parts: the first describes the phenomenon of right-wing populism; the second examines language as a tool of populist influence; and the third and fourth analyze the narratives of populist parties towards women across different European countries. An important text for the present moment, *Women in Populist Rhetoric* is an invaluable text for students of politics, sociology, and gender studies.

Unequal Profession Meera E Deo, 2019-02-05. A study of the experiences of women of color law school faculty and the effect of race and gender on legal education. This book is the first formal empirical investigation into the law faculty experience using a distinctly intersectional lens, examining both the personal and professional lives of law faculty members. Comparing the professional and personal experiences of women of color professors with white women, white men, and men of color faculty from assistant professor through dean emeritus, *Unequal Profession* explores how the race and gender of individual legal academics affects not only

their individual and collective experience but also legal education as a whole Drawing on quantitative and qualitative empirical data Meera E Deo reveals how race and gender intersect to create profound implications for women of color law faculty members presenting unique challenges as well as opportunities to improve educational and professional outcomes in legal education Deo shares the powerful stories of law faculty who find themselves confronting intersectional discrimination and implicit bias in the form of silencing mansplaining and the presumption of incompetence to name a few Through hiring teaching colleague interaction and tenure and promotion Deo brings the experiences of diverse faculty to life and proposes several mechanisms to increase diversity within legal academia and to improve the experience of all faculty members Praise for Unequal Profession Fascinating shocking and infuriating Meera Deo's careful qualitative research exposes the institutional practices and cultural norms that maintain a separate and unequal race gender order even within the privileged ranks of tenure track law professors With riveting quotes from faculty across a range of institutional and social positions Unequal Profession powerfully reminds us that we must do better I saw my own career in this book and you might too Angela P Harris University of California Davis A powerful account of inequality in legal academia Quantitative data and compelling narratives bring to life the challenges and roadblocks in gaining not just entry and tenure but also respect for the voices of minority women within the academy There are no easy remedies but reading this book is a good place to start for lawyers and law professors to understand what minority women face and which practices can increase the odds of success Bryant G Garth University of California Irvine Unequal Profession should be mandatory reading for everyone in legal academia By providing concrete evidence of systemic discrimination Meera Deo illuminates a long standing problem needing to be remedied Sarah Deer University of Kansas

More Than a Doll Jodi Bondi Norgaard, 2025-01-21 When Jodi Bondi Norgaard an experienced entrepreneur attempted to shake up the toy industry with a sports doll that appeals to today's more athletic adventurous girls she came to realize the roadblocks to success weren't only reluctant toy buyers but a patriarchal culture that perpetuates gender roles and sexism More Than a Doll is about her mission to break gender stereotypes and challenge the status quo Through illuminating testimonials data research interviews and cultural observations readers will come away with clear examples of the dangers of early gender stereotyping and how we continue to fail to see the harm After all It's just a toy It's just a t-shirt It's just a show Bondi Norgaard is sounding the siren that gender inequality doesn't begin in our teens it begins the moment a child can hold a toy or book or watch a screen The programming starts early and the impact is lifelong

Recollections of My Nonexistence Rebecca Solnit, 2020-03-10 Shortlisted for the James Tait Black Prize for Biography Longlisted for The Orwell Prize for Political Writing An electric portrait of the artist as a young woman that asks how a writer finds her voice in a society that prefers women to be silent from the author of Orwell's Roses In Recollections of My Nonexistence Rebecca Solnit describes her formation as a writer and as a feminist in 1980s San Francisco in an atmosphere of gender violence on the street and throughout society and the exclusion of women from cultural arenas She tells of being poor hopeful and adrift in the city that became her great teacher and of the small apartment that when she was nineteen became the home in which she transformed herself She explores the forces that liberated her as a person and as a writer books themselves the gay community that presented a new model of what else gender family and joy could mean and her eventual arrival in the spacious landscapes and overlooked conflicts of the American West Beyond being a memoir Solnit's book is also a passionate argument that women are not just impacted by personal experience but by membership in a society where violence against women pervades Looking back she describes how she came to recognize that her own experiences of harassment and menace were inseparable from the systemic problem of who has a voice or rather who is heard and respected and who is silenced and how she was galvanized to use her own voice for change
