

Accounts Payable interview questions and answers related to invoice processing

Q

How do you handle high volumes of invoices during peak periods?

A

During peak periods, it's crucial to have a systematic approach to manage the high volume of invoices effectively. I prioritize invoices based on due dates and amounts, ensuring that high-priority ones are processed first. I also use accounting software to automate repetitive tasks and double-check entries to minimize errors.

Ideal responses should demonstrate the candidate's ability to manage time efficiently and handle stress. Look for mentions of prioritization techniques and familiarity with automation tools, ensuring they can maintain accuracy under pressure.
