Shared Mass Trauma in Social Work Ann Goelitz, 2022-08-25 This edited volume looks at the phenomenon of shared trauma and how it affects social workers and their clients alike Bringing together established voices from the field of social work Shared Mass Trauma in Social Work presents ideas of how to provide resilient care and practice while social workers and their clients are both experiencing the same mass trauma Social workers are often on the front line when community trauma occurs and the boundary between their experiences and those of clients can become blurred In this timely resource Ann Goelitz and the contributors aim to share both their findings and evidence based tools to help professionals look after themselves and their clients in times of turmoil Beginning by setting a conceptual framework for shared trauma and reviewing related research the contributors discuss the concept as it relates to events such as the coronavirus pandemic climate change and natural disasters police brutality and racism and war and terrorism Filled with case studies that bring the text to life chapters then move to the modalities of psychotherapy group work and community organizing before concluding with reflections and lessons learnt for future practice The glossary of terms sample syllabus and practical exercises to support training social workers are a bonus for educators Shared Mass Trauma in Social Work incorporates specific implications trauma informed care social work principles and practical tips to support training and established clinicians working in unprecedented circumstances

Implementing Multifactor Authentication Marco Fanti, 2023-06-28 Avoid MFA pitfalls learn how to choose implement and troubleshoot MFA in your company Key Features Gain proficiency in using solutions like Okta Ping Identity and ForgeRock within the IAM domain Thwart authentication breaches using pragmatic strategies and lessons derived from real world scenarios Choose the right MFA solutions to enhance your organization s security Book Description MFA has emerged as an essential defense strategy in the wide ranging landscape of cybersecurity This book is a comprehensive manual that assists you in picking implementing and resolving issues with various authentication products that support MFA It will guide you to bolster application security without sacrificing the user experience You ll start with the fundamentals of authentication and the significance of MFA to familiarize yourself with how MFA works and the various types of solutions currently available As you progress through the

chapters you'll learn how to choose the proper MFA setup to provide the right combination of security and user experience. The book then takes you through methods hackers use to bypass MFA and measures to safeguard your applications. After familiarizing yourself with enabling and managing leading cloud and on-premise MFA solutions, you'll see how MFA efficiently curbs cyber threats, aided by insights from industry best practices and lessons from real-world experiences. Finally, you'll explore the significance of innovative advancements in this domain, including behavioral biometrics and passkeys. By the end of the book, you'll have the knowledge to secure your workforce and customers, empowering your organization to combat authentication fraud.

What you will learn:

- Evaluate the advantages and limitations of MFA methods in use today.
- Choose the best MFA product or solution for your security needs.
- Deploy and configure the chosen solution for maximum effectiveness.
- Identify and mitigate problems associated with different MFA solutions.
- Reduce UX friction with ForgeRock and behavioral biometrics.
- Stay informed about technologies and future trends in the field.

Who this book is for: This book is for developers, system administrators, security professionals, white hat hackers, CISOs, and anyone interested in understanding and enhancing their access management infrastructure. While basic knowledge of authentication and IAM is helpful, it is not a prerequisite.

Customer Relationship Management Michael Pearce, 2021-03-08

CRM first entered the business vocabulary in the early 90s, initially as a systems-driven technical solution. It has since escalated in importance as system providers increased their market penetration of the business market, and in parallel, CRM's strategic importance gained more traction as it was recognized that CRM was at its heart a business model in the pursuit of sustainable profit. This was accentuated by the academic community stepping up their interest in the subject in the early 2000s. Today, it is a universal business topic which has been re-engineered by the online shopping revolution, in which the customer is firmly placed at the center of the business. The current reality, however, is that for the vast majority of businesses, CRM has not been adopted as a business philosophy and practicing business model. It has not been fully understood and therefore fully embraced and properly implemented. The author addresses this head-on by stripping CRM down into its component parts, by delving into and explaining the role and relevance of the C, R, and M in CRM. This is a practical guide, but set within a strategic framework. The outcome is clear, actionable insights and how to convert them into delivery. It is written in an easily digestible, non-jargon style, with case studies to demonstrate how CRM works. This book can be immediately used as the primary practical reference to guide the development and implementation of a CRM strategy.

No Kids Allowed Michelle Ann Abate, 2020-10-13

Children's literature isn't just for children anymore. This original study explores the varied forms and roles of children's literature when it's written for adults. What do Adam Mansbach's *Go the F*ck to Sleep* and Barbara Park's *MA There's Nothing to Do Here* have in common? These large-format picture books are decidedly intended for parents rather than children. In *No Kids Allowed*, Michelle Ann Abate examines a constellation of books that form a paradoxical new genre: children's literature for adults. Distinguishing these books from YA and middle-grade fiction that appeals to adult readers, Abate argues that there

is something unique about this phenomenon Principally defined by its form and audience children s literature Abate demonstrates engages with more than mere nostalgia when recast for grown up readers Abate examines how board books coloring books bedtime stories and series detective fiction written and published specifically for adults question the boundaries of genre and challenge the assumption that adulthood and childhood are mutually exclusive *Social Networks as the New Frontier of Terrorism* Laura Scaife,2017-01-06 Terrorism Why does this word grab our attention so Propaganda machines have adopted modern technology as a means to always have their content available Regardless of the hour or time zone information is being shared by somebody somewhere Social media is a game changer influencing the way in which terror groups are changing their tactics and also how their acts of terror are perceived by the members of the public they intend to influence This book explores how social media adoption by terrorists interacts with privacy law freedom of expression data protection and surveillance legislation through an exploration of the fascinating primary resources themselves covering everything from the Snowden Leaks the rise of ISIS to Charlie Hebdo The book also covers lesser worn paths such as the travel guide that proudly boasts that you can get Bounty and Twix bars mid conflict and the best local hair salons for jihadi brides These vignettes amongst the many others explored in this volume bring to life the legal policy and ethical debates considered in this volume representing an important part in the development of understanding terrorist narratives on social media by framing the legislative debate This book represents an invaluable guide for lawyers government bodies the defence services academics students and businesses *Jim Scancarelli* Lewis M. Stern,2022-01-11 North Carolina fiddler and banjo player Jim Scancarelli s extensive career as a string band musician began in the early 1960s A founding member of the Kilocycle Kowboys one of Charlotte s longest lived bluegrass bands he played banjo with the Mole Hill Highlanders and in the 1980s formed Sanitary Cafe with fiddler Tommy Malboeuf Through the 1970s his annual recordings at the Union Grove Fiddlers Convention captured superlative music and performer interviews Scancarelli also had a successful career as a freelance magazine artist and collaborated on the syndicated comic strips Mutt and Jeff and Gasoline Alley eventually taking over authorship of the latter in 1986 This biography traces his creative trajectory in music art radio and television and the cartooning industry *Small Acts of Grace* Alice Gray,2006 An uplifting and biblically based series filled with stories to encourage women to continue making a difference in the lives of those around them **Lloyd's Ship Manager** ,2003 **May Sarton** Lenora P. Blouin,2000 In her third bibliography of Sarton s work Blouin an independent research librarian and bibliographer delineates Sarton s writings in their various genres along with their critical response The primary sources section arranges all works chronologically by genre with the exception of poems not in volumes of poetry poetry and prose in anthologies and translations all arranged alphabetically The expanded secondary sources section now includes reviews of works also by genre and separates articles with substantial critical content from book reviews and biographical or more general pieces Also included are reviews of major critical studies published in the last 20 years a

section for special editions and an appendix which lists individual poems alphabetically by title followed by location
Annotation copyrighted by Book News Inc Portland OR **Girls Negotiating Porn in South Africa** Deevia
Bhana,2022-07-15 The book investigates how teenage girls in South Africa encounter and consume pornography situating
their experiences within wider sociocultural and affective relations of power It focuses on girls online playful and pleasurable
pursuits as they explore and expand upon their sexual curiosities In this digital moment the book directs us to the multi
layered meanings around porn as an everyday normative experience The book takes on an interdisciplinary approach
drawing from and inspired by new feminist materialism and assemblage theorising For teenage girls porn is freely available
to see in billboards magazines books on television music videos games online streaming and social media sites Girls do not
have to view hardcore porn to see porn it is everywhere It argues that girls online playful adventures are a critical site for
learning developing and negotiating gender and sexuality These meanings are constitutive of pleasure and the pursuit of
learning sexually but they also provide a launchpad for girls to contest race gender and heterosexual domination while
opening up online porn to broader interrogation and critique The book will be of interest to researchers across African
studies sociology psychology anthropology youth gender and sexuality studies porn studies and childhood studies
