Heine, 2013-03-15 This clear and concise text helps readers grasp the doctrines of the Christian faith considered basic from the earliest days of Christianity Ronald Heine an internationally known expert on early Christian theology developed this book from a course he teaches that has been refined through many years of classroom experience Heine primarily uses the classical Christian doctrines of the Nicene Creed to guide students into the essentials of the faith This broadly ecumenical work will interest students of church history or theology as well as adult Christian education classes in church settings Sidebars identify major personalities and concepts and each chapter concludes with discussion questions and suggestions for further reading *Christian Beliefs* Wayne A. Grudem, 2005 *Christian Essentials Made Plain and Simple* God doesn't call every Christian to go off to seminary but there are certain matters of doctrine that is the church's teaching that every Christian simply must know Theology is important because what we believe affects how we live If you're a relatively new believer in Jesus or if you're a more mature Christian looking for a quick brush up on basics of the faith *Christian Beliefs is for you* This readable guide to twenty basic Christian beliefs is a condensation of Wayne Grudem's award-winning book on systematic theology prized by pastors and teachers

everywhere He and his son Elliot have boiled down the essentials of Christian theology for the average layperson and made them both clear and applicable to life You will learn about the Bible the characteristics of God what it means that we are created in the image of God what God has done for us in Christ the purpose of the church and much more Each chapter includes questions for personal review or group discussion These truly are twenty basic beliefs that every Christian should know Wayne Grudem is a master teacher with the ability to explain profound truths in simple language He is a man of deep conviction and theological passion and those who read this book will be both educated and encouraged in the faith R Albert Mohler Jr President The Southern Baptist Theological Seminary Louisville Kentucky Based on Systematic Theology this summary will certainly help beginners with Christ to get the hang of their faith J I Packer Regent College Vancouver British Columbia As Wayne Grudem s Systematic Theology contracts into a compact book I do not lose my enthusiasm for the truth he loves and the clarity of his words John Piper Bethlehem Baptist Church Minneapolis Minnesota *Christianity in Crisis* Hank Hanegraaff, 2012-06-18 Nearly two decades ago Hank Hanegraaff s award winning *Christianity in Crisis* alerted the world to the dangers of a cultic movement within Christianity that threatened to undermine the very foundation of biblical faith But in the 21st century there are new dangers new teachers who threaten to do more damage than the last These are not obscure teachers that Hanegraaff unmasks We know their names We have seen their faces sat in their churches and heard them shamelessly preach and promote the false pretexts of a give to get gospel They are virtual rock stars who command the attention of presidential candidates and media moguls Through make believe miracles urban legends counterfeit Christs and twisted theological reasoning they peddle an occult brand of metaphysics that continues to shipwreck the faith of millions around the globe God cannot do anything in this earthly realm unless we give Him permission Keep saying it I have equality with God talk yourself into it Being poor is a sin The Jews were not rejecting Jesus as Messiah it was Jesus who was refusing to be the Messiah to the Jews You create your own world the same way God creates His He speaks and things happen you speak and they happen *Christianity in Crisis 21st Century* exposes darkness to light pointing us back to a Christianity centered in Christ From the Preface Having lost the ability to think biblically postmodern Christians are being transformed from cultural change agents and initiators into cultural conformists and imitators Pop culture beckons and postmodern Christians have taken the bait As a result the biblical model of faith has given way to an increasingly bizarre array of fads and formulas *Evangelical Exodus* Douglas Beaumont, 2016 Over the course a single decade dozens of students alumni and professors from a conservative Evangelical seminary in North Carolina Southern Evangelical Seminary converted to Catholicism These conversions were notable as they occurred among people with varied backgrounds and motivations many of whom did not share their thoughts with one another until this book was produced Even more striking is that the seminary s founder long time president and popular professor Dr Norman Geisler had written two full length books and several scholarly articles criticizing Catholicism from an Evangelical point of view What could have led these seminary

students and even some of their professors to walk away from their Evangelical education and risk losing their jobs ministries and even family and friends to embrace the teachings they once rejected as false or even heretical Speculation over this phenomenon has been rampant and often dismissive and misguided leading to more confusion than understanding The stories of these converts are now being told by those who know them best the converts themselves They discuss the primary issues they had to face the nature of the biblical canon the identification of Christian orthodoxy and the problems with the Protestant doctrines of sola scriptura scripture alone and sola fide faith alone Christian Doctrine and Systematic Theology Augustus Schultze,1909 **The Essentials** Dr David Sherbino,2021-11-11 In our culture there is a great deal of speculation and a variety of opinions concerning the Christian faith and what it teaches The Essentials seeks to dispel the confusion and ambiguity about what one believes and what it means to live as a faithful follower of Jesus This material is designed to engage the learner through a thoughtful study of Scripture **The Christian Doctrine of Faith** James Hastings,1919 Catalogue of the Foreign Mission Library of the Divinity School of Yale University, New Haven, Conn Yale University. Divinity School. Day Missions Library,1910
