Monstrosity from the Inside Out Teresa Cutler-Broyles, Marko Teodorski, 2019-01-04 Emerging from darkness daring to take form and become something more than the Other monsters stalk these pages shifting form in true monstrous fashion as they inhabit literature and film history and parallel communities modelled after our own They become enmeshed in popular music run rampant through cities take androgynous form to rally for their own identities their own futures and their own families and they hold up mirrors while we are caught shattering our sense of Self Both the past and the future are rich fodder for the evil that monsters do and from freak show to homunculus to serial killer to cyborg they remind us that they are never far from sight and that we cannot look away even if we wish to Monstrosity from the Inside Out takes as the paradox that monsters are simultaneously impossible and very much a part of what it means to be human
