Java Software Solutions Fourth Edition takes full advantage of the Java 5.0 release in a way that is appropriate for those just learning to write high quality programs. This new edition has an earlier evolution of object concepts developed in a way that capitalizes on the power of objects without overwhelming beginning programmers. **Java Foundations** John Lewis, Peter Joseph DePasquale, Joseph Chase, 2013-08-15

Inspired by the success of their best selling introductory programming text *Java Software Solutions*, authors Lewis DePasquale and Chase now release *Java Foundations Third Edition*. This text is a comprehensive resource for instructors who want a two or three semester introduction to programming textbook that includes detail on data structures topics. *Java Foundations* introduces a Software Methodology early on and revisits it throughout to ensure students develop sound program development skills from the beginning. Control structures are covered before writing classes, providing a solid foundation of fundamental concepts and sophisticated topics.
