Steve Dee,2020-07-06 Hive is a board game with a difference it does not have a board If you enjoy strategy games like chess and so long as you do not have an irrational fear of creepy crawlies Hive could be the game for you In this entertaining and easy to read book Hive addict Steve Dee will introduce you to the game and give you some tips on

how to become a good player You will find out about pinning and pin releases blocking circling piece selection openings elbows pockets deciding whether to attack or defend controlling placement how to use the pieces most effectively including the new expansion pieces playing defensively and common mistakes to avoid I like the book it does do a good job in introducing the game and has some good elements of tactics John Yianni inventor of Hive

The Canon Of Hive Joe Schultz,2020-02-17 At the dawn of the century John Yianni struck gold in creating Hive R a strategic game about using specialized bugs to surround an enemy bee What makes this masterpiece so much fun is its simplicity There are no complex rules that eject you from the puzzle mindset Chance is off the table There isn't even a board to set up It's an intense duel with no sound except for the satisfying CLACK CLACK produced by the physical version A quick search online will show that Hive claims a spot on virtually every list of top ten strategy table games for two players That is an important distinction you can find the game of Hive without even searching for the game of Hive Alas this beautiful game is starting to get its dues And with that recognition Hive strategies have crystallized and evolved over and over There are now many skilled players So if you're interested in competing at the highest level you would benefit greatly from the perspective of a true master Joe Schultz Jewdoka the 2017 Hive World Champion exposes the intricacies of the game in The Canon of Hive Groundwork As a devout practitioner of Judo Jewdoka applies the principles of the gentle way to the game of Hive This book will inspire you to maximize your efficiency and avoid the fruitless fight of strength vs strength You will also have the tools to create your own powerful style and perhaps one day claim the rank of champion To facilitate your growing process Groundwork quantizes the levels of Hive information into five levels 1 Principle 2 Fundamental 3 Technique 4 Tactic and finally 5 Strategy By growing your skill in each level you will have more room to expand your ability in the levels above Because the main goal is to enable you to develop your own strategy the bulk of this book hinges on level 3 Technique In fact 40 yes 40 technical tools sorted into five neat categories distilled for your creative combinations But don't think that is the only part The hinge is only as important as what it connects You must start with your principle and ultimately arrive in your own Hive strategy Despite having over 300 pages Groundwork is an easy and captivating read The bite sized chunk delivery allows you to learn something new or solidify a particular topic of interest within a restricted time frame Just 5 min with this book is enough to unlock a hidden door that will help your gameplay right off the bat You will want to come back to strengthen yourself time and time again Groundwork is a great resource that will no doubt be a centerpiece on the lap of any interested player no matter your skill level Almost three years in the making Groundwork has evolved to become the book that it is today The long wait is over Jewdoka is pleased to bring you The Canon of Hive Groundwork with the blessing of the creator himself I have to say that this is an awesome book I'm very impressed This is a wonderful resource for the Hive community It's such a joy reading the depth you have gone into John Yianni So do you want to be the next Hive World Champion
