Macridis,1986 Political Ideologies ,2022 The Cosmopolitan Interior Judy Neiswander,2008 Judith Neiswander explains that during these years liberal values individuality cosmopolitanism scientific rationalism the progressive role of the elite and the emancipation of women informed advice about the desirable appearance of the home In the period preceding the First World War these values changed dramatically advice on decoration became more nationalistic in tone and a new goal was set for the interior to raise the British child by the British hearth Neiswander traces this evolving discourse within the context of current writing on interior decoration writing that it is much more detached from social and political issues of the day **BOOK JACKET** **American Political Ideologies** Brian R. Farmer,2006-04-03 For many people the world of politics is defined by ideologies The average voter rarely takes time to research a policy issue thoroughly relying instead on a set of beliefs set forth by his or her chosen political organization to make important decisions These publicly promoted ideologies play an important role in international as well as domestic political development yet many adherents to

a particular belief may have a poor understanding of competing ideologies From right wing to the far left this text dissects eight prominent political ideologies traditional conservatism classic liberalism libertarianism conservative extremism contemporary liberalism communism dependency theory and Islamism In plain terms it describes the basic doctrine and inherent contradictions of each creed along with its particular relevance to today s political landscape An in depth discussion of the political socialization processes that form and perpetuate ideologies is also included Instructors considering this book for use in a course may request an examination copy here [The Oxford Handbook of Political Ideologies](#) Michael Freeden, Lyman Tower Sargent, Marc Stears, 2013-08-15 This is the first comprehensive volume to offer a state of the art investigation both of the nature of political ideologies and of their main manifestations The diversity of ideology studies is represented by a mixture of the range of theories that illuminate the field combined with an appreciation of the changing complexity of concrete ideologies and the emergence of new ones Ideologies however are always with us The Handbook is divided into three sections The first is divided into three sections The first reflects some of the latest thinking about the development of ideology on an historical dimension from the standpoints of conceptual history Marx studies social science theory and history and leading schools of continental philosophy The second includes some of the most recent interpretations and theories of ideology all of which are sympathetic in their own ways to its exploration and close investigation even when judiciously critical of its social impact This section contains many of the more salient contemporary accounts of ideology The third focuses on the leading ideological families and traditions as well as on some of their cultural and geographical manifestations incorporating both historical and contemporary perspectives Each chapter is written by an expert in their field bringing the latest approaches and understandings to their task The Handbook will position the study of ideologies in the mainstream of political theory and political analysis and will attest to its indispensability both to courses on political theory and to scholars who wish to take their understanding of ideologies in new directions [Books in Print](#) ,1991

[Emotion in Group Decision and Negotiation](#) Bilyana Martinovsky, 2015-07-01 The volume offers an exploration of methods for analysis of emotion in negotiation such as cognitive modeling discourse analysis all testing subsequent multidimensional scaling impression rating and graph modeling for conflict resolution reasonable and unreasonable disagreement It covers activities such as business negotiation conflict solving bargaining task management meetings discussions and elaborates on different kinds of emotions Some emotions stimulate negotiation e g empathy others hinder it e g disgust However all emotions open a door to uncertainty in relations and negotiation which in turn provides an opportunity The volume views language in negotiation not only as a vehicle for transmission of thought but also as a manifestation of emotion and the ethical [Reconsidering Habermas's Colonization Thesis](#) Roderick Condon, 2025-03-31 This book reconsiders Habermas s critique of capitalism as a foundation for a critical theory of neoliberalism Taking criticisms into account the author refines and redevelops Habermas s system lifeworld paradigm in three parts focusing on system lifeworld and communication The

exposition unfolds through a new synthesis and convergence from within Habermas's frame of Axel Honneth Niklas Luhmann Talcott Parsons and Karl Marx This synthesis is interwoven with an account of the neoliberal turn such that social theory is historically contextualized and neoliberalism theoretically explained at one and the same time The end result is a reconstruction of the colonization thesis in a new theory of relinguistification advancing a communicative dialectical and reflexive theory of reification Reconsidering Habermas's Colonization Thesis will appeal to scholars of critical theory social theory sociology and cultural studies as well as readers interested in neoliberalism and the critique of capitalism

Whitaker's Books in Print, 1998 **Political Ideologies, Fourth Edition** Andrew Heywood, 2007-05-15 This revised and updated fourth edition of the leading text on political ideologies contains a new chapter on multiculturalism consideration of the changing nature of ideological discourse including the transition from traditional to new ideologies and coverage of the impact on the major ideological traditions of developments such as globalization and the war on terror

Ideology and Politics in Britain Today Ian Adams, 1999 Examining the variety of ideas and values that influence British politics today in light of how they developed and arrived in their present state this text considers the future of British politics and what forces may shape further development *Ideology* Michael Freeden, 2003-06-26 Ideology is one of the most controversial terms in the political vocabulary exciting both revulsion and inspiration This book examines the reasons for those views and explains why ideologies deserve respect as a major form of political thinking It investigates the centrality of ideology both as a political phenomenon and as an organizing framework of political thought and action It explores the changing understandings of ideology as a concept and the arguments of the main ideologies By employing the latest insights from a range of disciplines the reader is introduced to the vitality and force of a crucial resource at the disposal of societies through which sense and purpose is assigned to the political world ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable **Leisure, Sport and Tourism, Politics, Policy and Planning, 4th Edition** A J Veal, 2017-05-05 The gap between theory and practice in the leisure sport and tourism studies areas seems to have widened as scholars have become more specialized Nevertheless it is imperative that students be as familiar as possible with a wide range of social and political theory and also be able to reconcile that knowledge with their own current and future roles as practicing professionals As well as extensive updating of sources this new edition examines such topics as libertarianism theocracy anti establishment politics and the concept of generations A new chapter presents discussions of a number of issues and challenges facing the leisure sport and tourism sector Introducing the subject for undergraduate and postgraduate students of leisure sport and tourism this book is also a useful addition to the shelf of any policy maker or practitioner within the industries **An Introduction to Political Theory** John Hoffman, Paul
