for or against something it is the freedom of simply being oneself and responding truthfully to each moment This book helps readers to identify the obstacles to their freedom both circumstantial and self imposed to choose their battles wisely and to find the courage to be true to themselves Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world
