The Sage Handbook of Political Marketing Paul Baines, Phil Harris, Denisa Hejlova, Costas Panagopoulos, 2025-08-07

The Sage Handbook of Political Marketing is a comprehensive resource that introduces the theory and practice of political marketing in a global yet simultaneously localized world The practice of political marketing has evolved significantly during the 20th and 21st centuries adapting to the rise of mass media marketing communication advertising and the web Traditionally dominated by US European and Australasian scholars the field has up to now emphasized the Americanisation and professionalisation of campaigning styles Since the start of the new millennium however political marketing has transformed into a data driven specialized profession With increasing digitalisation and the advent of AI political marketing involves personally targeted evidence based messaging with real time engagement and sentiment analysis This approach is not limited to democratic regimes but is also widely adopted by authoritarian states worldwide The handbook addresses the global perspectives on political marketing covering a myriad of contexts cultures and regimes It encompasses insights into political marketing in regions seldom discussed in the literature including Zimbabwe Japan India Hong Kong and Ukraine

These chapters enrich the debate on political marketing's impact on democracies and its use in non-democratic societies. Organized into four parts, the handbook covers strategy, propaganda, digital evolution, ideology, and contemporary practices in political marketing. It explores topics such as the marketing of ideology, the impact of the internet and social media, the use of AI in political marketing, and the role of fake news and disinformation in campaigns. The handbook addresses the use of political marketing techniques in crisis management, political branding, the measurement of political marketing effects, and political marketing use outside of electoral campaigns. The Sage Handbook of Political Marketing is an essential resource for scholars, practitioners, students, and politicians in general seeking to understand the complexities of political marketing. It provides a comprehensive and nuanced exploration of the field, equipping readers to engage with the theoretical and practical aspects of political marketing in a rapidly changing world.

Campaign Craft Michael J. Burton, William J. Miller, Daniel M. Shea, 2015-06-23

The go-to source on campaign management for nearly two decades is now updated to cover the latest in contemporary campaign expertise from general strategy to voter contact to the future of political campaigns. Political campaigning reinvents itself at a furious pace. This highly respected text recounts the evolution of modern campaign management and shares strategies and tactics common to American elections. Informed by the practical political experience of three scholarly authors, the book weaves important academic perspectives with insights garnered from close observation of electoral practice. The fifth edition lays out the foundations of modern campaign management, going on to explore critical steps in running a new-style campaign. Using fresh stories and recent research, the book follows American electioneering from the planning stages through Election Day and concludes with a view to the future of political campaigning. Critical updates examine the Tea Party movement, new political technologies, advances and challenges in opinion polling, and field experimentation, and increasing polarization within the American electorate. New material includes an exploration of the Super PACs and non-candidate campaigns that are changing the strategic context of American elections.
