The Gentle Art of Leadership Brian Donovan,Dean Phelan,2024-11-12 What makes leaders great The writing is on the wall Quantitative and qualitative research indicate they consistently practise a Gentle Art of Leadership Firsthand analyses of more than six thousand 360o feedback reports Over 50 one on one interviews with Leaders Reflections on hundreds of Executive Coaching sessions Review of over 160 books and articles on leadership Our own experiences as CEOs A compelling guide and handbook for anyone in a leadership role This Gentle Art of Leadership cuts against the grain of the often held view that great leaders CEOs and team coaches are charismatic extroverted forceful characters with powerful egos and that we need such big personalities to transform our companies organisations sporting teams and nations Sometimes this view proves to be true and we remember such characters But more often the greatest leaders who leave the greatest legacies have a powerful mixture of personal humility integrity and indomitable will for forwarding the health success and long term prosperity of their organisation and people They seem to get the best out of others by genuinely treating them with dignity and respect whilst focused on strategic outcomes

The Science of Growth Sean Ammirati,2016-04-26 In The Science of Growth venture capitalist and Carnegie Mellon professor Sean Ammirati tackles the dos and don ts of successful scaling by looking at the startups that have won and lost The lean entrepreneurship movement has captivated Silicon Valley and entrepreneurs across the country It s provided an agile framework to develop the right product solution for a given target market and is now used by almost every fledgling company to do just that The next challenge is growth to achieve the financial returns and more importantly the impact they dreamed of when starting off on their adventure Why do some

companies realize the VC's goal of a 10x return on investment while others flounder. What differentiates the companies that become part of the fabric of our lives and remain responsive no matter how big they get from those that quickly fade? To find out, Ammirati looks at 20 different companies in pairs who have achieved product market fit at about the same point in history with the same general target customer, one of which has gone on to achieve real scale while the other languished. As his research reveals, just a handful of choices among them—how to partner with how to finance growth and how to use data—make all the difference in the world. With such intriguing examples as LinkedIn vs. Spoke, Facebook vs. Friendster, and McDonald's vs. White Castle, Ammirati shows the secret of the science of growth and how to cultivate it in any organization.

Angela Hood, Founder and CEO of ThisWay Global. Must read book if you are a recruiter or talent acquisition head. It goes over best practices and hacks each step of recruiting. Sandeep Purwar, Founder, CEO, Bevo. **Evidence-Based Recruiting: How to Build a Company of Star Performers Through Systematic and Repeatable Hiring Practices** Atta Tarki, 2020-01-24. Develop and execute systematic, best-in-class hiring practices to seize and hold the competitive edge in your industry. Defending your business from the competition through regulations, differentiated technologies, brand recognition, and other methods is no longer a sustainable competitive advantage. In today's fast-paced, ever-changing business environment, you must take an offensive stance to keep your competitors at bay. And this groundbreaking guide provides the inspiration, the know-how, and the tools you need to achieve it. This book guides you through the process of designing and implementing a data-driven hiring strategy that will secure your business for the foreseeable future. Revealing how today's top innovators, including Netflix and Google, dominate their industries, it shows how you can do the same by implementing systematic and repeatable processes that lead to better, more consistent hiring outcomes. You'll learn how to envision an evidence-based approach to hiring, distinguish useful data from the data you don't need, use the best technologies to achieve your recruitment goals, build an effective talent acquisition team, improve on-the-job success predictions, design well-defined and objective measures to improve hiring outcomes, and avoid the most common hiring pitfalls. Data and analytics have been reshaping countless industries as they turn

from anecdotal to evidence based practices The recruiting and hiring processes however have been intuition based That changes today Evidence Based Recruiting introduces an entirely new approach one that relies on irrefutable facts and data enabling you and your organization to thrive in the new era of talent acquisition

Exception to the Rule: The Surprising Science of Character-Based Culture, Engagement, and Performance Peter J. Rea, James K. Stoller, Alan Kolp, 2017-09-15 The antidote to navigating turbulent times isn't more rules It is timeless virtue that creates sustainable value Thoughtful leaders are keenly aware of the enormous challenge they face to drive high performance in a world that continues to ratchet up pressure and uncertainty Some leaders respond by getting tough and establishing strict rules They get people in line but they don't inspire excellence Wise leaders on the other hand help their people practice character to navigate their way through the turbulence without lowering performance expectations As a result their people are more reliable under pressure

Exception to the Rule links ancient wisdom with contemporary science on high performance teamwork and engagement Building an organizational culture based on classical virtues of trust compassion courage justice wisdom temperance and hope is both strategically smart and a better way to live Exception to the Rule walks you through the steps of helping everyone in your organization focus on character defined by virtue The word virtue means excellence which is why each one is essential to help people perform at a high level despite uncertainty and pressure Under character based leadership teams work better together creativity flourishes and engagement increases The most powerful idea of Exception to the Rule is this character defined by virtue is not based on birthright it can be learned and practiced Everyone can develop habits to become better than they were While character cannot be legislated character can be cultivated As virtue proves its value the culture you have can evolve into the culture you need
