Using Apps for Learning Across the Curriculum
Richard Beach, David O'Brien, 2014-10-17
How can apps be used to foster learning with literacy across the curriculum? This book offers both a theoretical framework for considering app affordances and practical ways to use apps to build students' disciplinary literacies and to foster a wide range of literacy practices. *Using Apps for Learning Across the Curriculum* presents a wide range of different apps and also assesses their value, features, methods for, and apps related to planning instruction and assessing student learning. It identifies favorite apps whose affordances are most likely to foster certain disciplinary literacies, includes resources and apps for professional development, provides examples of student learning in the classroom, and a website www.usingipads.pbworks.com with resources for teaching and further reading for each chapter, a link to a blog for continuing conversations about topics in the book, appsforlearningliteracies.com, and more. Enhance the usefulness of the book.
