## **Gilles Deleuze Key Concepts:**

*Gilles Deleuze* Charles Stivale, 2011-06-27 One of the most radical philosophers of the twentieth century Gilles Deleuze has become hugely influential in philosophy cultural studies literature art and architecture Gilles Deleuze Key Concepts brings together leading specialists from a variety of different disciplines in an easy to access primer on Deleuze s work Deleuze s concepts such as assemblage the fold difference and repetition cinema and desire are key to understanding his philosophical approach they work to unsettle particular bodies of knowledge to open them up and link them to other concepts within and outside that body of knowledge The short and accessible chapters in this book each focus on a single concept offering a definition and showing what the concept does The contributors also consider how the concepts are engaged intersect and link and how they may deviate from other areas of postmodern thought

**Gilles Deleuze** Charles J. Stivale, 2008 *GILLES DELEUZE: KEY CONCEPTS; ED. BY CHARLES J. STIVALE.* , 2005 *Gilles Deleuze* Charles J. Stivale, 2011 *Exploring Deleuze's Philosophy of Difference* David Bright, 2020-02-06 The concept of difference occupies a central place in the philosophy of Gilles Deleuze In this work David Bright explores how Deleuze s difference can be put to work in critical qualitative research The book explores research and writing as a creative process of dynamically pursuing problems Following Deleuze s advice not to think of problems in terms of solutions the book offers important methodological insights into the ways the subjects objects and processes of research might be conceived and represented in writing exploring the problem of thinking and writing about difference in complex ways without reducing thought to static representations of identity Bright uses the example of foreign teachers and international schooling in Vietnam to show us how Deleuze s difference can be used in critical qualitative research demonstrating the limits of traditional ways of thinking about difference in learning and teaching *Exploring Deleuze s Philosophy of Difference* is a book that will interest all those with an interest in the application of Deleuze s philosophy to critical qualitative research Perfect for courses such as Critical Qualitative Research Qualitative Inquiry Post qualitative Inquiry Deleuze Difference Identity Ethnography English Language Teaching International Education Writing as a Method of Inquiry

Black Women, Agency, and the New Black Feminism Maria del Guadalupe Davidson, 2017-02-17 The powerful Beyoncé formidable Rihanna and the incalculable Nikki Minaj Their images lead one to wonder are they a new incarnation of black feminism and black women's agency or are they only pure fantasy in which instead of having agency they are in fact the products of the forces of patriarchy and commercialism More broadly one can ask whether black women in general are only being led to believe that they have power but are really being drawn back into more complicated systems of exploitation and oppression Or are black women subverting patriarchy by challenging notions of their subordinate and

exploitable sexuality In other words who is playing who Black Women Agency and the New Black Feminism identifies a generational divide between traditional black feminists and younger black women While traditional black feminists may see for example sexualized images of black women negatively and as an impediment to progress younger black women tend to embrace these new images and see them in a positive light After carefully setting up this divide this enlightening book will suggest that a more complex understanding of black feminist agency needs to be developed one that is adapted to the complexities faced by the younger generation in today s world Arguing the concept of agency as an important theme for black feminism this innovative title will appeal to scholars teachers and students interested in black feminist and feminist philosophy identity construction subjectivity and agency race gender and class

Deleuze and Contemporary Art Stephen Zepke,Simon O'Sullivan,2010 Deleuze and Contemporary Art maps the relations and resonances between the important and influential twentieth century French philosophers Gilles Deleuze and Félix Guattari and contemporary art practice

**Deleuze and Gender** Claire Colebrook,Jami Weinstein,2008 Unlike other philosophers whose work can be applied to questions of sex and gender Deleuze s philosophy was motivated by the problem of desire and difference Over the last three decades feminist theory gender theory and queer theory have been revolutionised and rejuvenated by Deleuze s provocation to consider sexual difference beyond the paradigm of the Oedipal family and Western humanism In this volume a series of prominent critical theorists extend Deleuze s already radical philosophy into ideas of the post human truth reading sexual difference and gender politics Moving beyond the tired debates surrounding sex gender and representation these essays consider difference positively and provocatively opening up new directions for the study of sexuality

Félix Guattari Franco Berardi,2008-11-05 Félix Guattari Thought Friendship and Visionary Cartography by Franco Berardi Bifo originates in the author s close personal acquaintance with Félix Guattari s writings and political engagement in the context of Berardi Bifo s activism in Italian autonomist politics and his ongoing collaboration with Guattari in the 1970s and 1980s This biography gains distinction from

its keen insight into Guattari's political practice and from a precise understanding of how this practice relates to the theoretical and conceptual aspects of Guattari's writings alone and with Gilles Deleuze Thanks to an approach at once personal and theoretically well informed Bifo's biography provides a clear and accessible introduction to Guattari's works This edition also includes a critical introduction and a 2005 interview with Bifo on a range of topics relating Guattari's works to the current political conjuncture

*Tattoos in American Visual Culture* Mindy Fenske, 2007-11-15 Since the rise of the dime museum in the 19th century tattooed bodies have been parading across stages both live and mediated This book takes a close look at images of tattooed bodies in live performance advertising and photography In so doing the book combines the craft of cultural analysis with theories of performance while also generating a largely untold history of the tattooed body on display in the United States Because of this unique combination the book is truly interdisciplinary and appeals to multiple audiences At the same time it sustains a deep theoretical engagement with the central concepts of social and visual agency and the disruption of restrictive social norms In the end this study of the visual argues that the agency of images is located within and not only in opposition to cultural discourses such as gender class and exoticism
