

# Hamlet Reading Questions

## Act 1 scene 1

<p>How did the last King of Denmark (Hamlet Sr.) come to attain the land that once belonged to Fortinbras Sr., King of Norway?</p>	<p>Hamlet Sr. attained the land previously owned by Fortinbras Sr. by slaying him. Fortinbras sealed with a contract that he would lose his land with his life, therefore allowing Hamlet Sr. to seize it.</p>
<p>What reason does Marcellus give for inviting Horatio to observe the watch?</p>	<p>Marcellus wants Horatio to observe the watch because the guards have been seeing a ghost, and they want Horatio, a scholar, to confirm their suspicions and talk to the ghost since he speaks Latin.</p>
<p>Horatio states of the Ghost "This bodes some strange eruption to our state" (1.1.69). Paraphrase this line and answer, who does he believe will threaten them and what is the reasoning behind his suspicions?</p>	<p>I believe this lines means that, in Horatio's opinion, the presence of Hamlet Sr.'s ghost is a mysterious and possibly bad omen to the state of Denmark, especially given the fact that the ghost is dressed in the same war armor he conquered Norway in. Horatio may assume that Norway, or Fortinbras jr., will threaten them, and the ghost is a sign that such impending doom is on its way. The presence of a ghost in the play signifies that something about the circumstances is eerie and unsettling, which backs Horatio's suspicions.</p>
<p>What plan does Horatio present to the others at the end of scene 1 and what is his reasoning?</p>	<p>Horatio suggests that they go tell young Hamlet, believing that the ghost will speak to him above anyone else.</p>
<p>How does the reader/audience know</p>	<p>We know that this ghost is not a hallucination because numerous characters have agreed</p>
