Decolonization In Indonesia The Problem:

Decolonization in Indonesia: the Problem of Continuity and Change Harry Jindrich Benda,1965 The Decolonization of Indonesia Cornelis A. van Minnen,1988 *Fire and the Full Moon* David Webster,2010-01-01 The history of Canada's postwar foreign policy is dominated by Cold War narratives the Gouzenko Affair UN peacekeeping missions and the Cuban Missile Crisis By contrast the story of Canada's response to decolonization in the Global South is less well known *Fire and the Full Moon* explores Canadian Indonesian relations to determine whether Canada's postwar foreign policy was guided by an overarching set of principles Canada a loyal member of the Western alliance wanted developing countries to follow a non revolutionary model of decolonization and paid little attention to violations of human rights Webster's reassessment of Canada's foreign policy objectives in Indonesia and of its own national image will appeal to students of diplomatic history interested in Asia and the developing world **Report on Indonesia** ,1964 Papers on Indonesia-South Pacific Relations Yaw Saffu,David Roskies,1992 **Papua** Bilveer Singh,2017-09-08 The Papuan conflict has been on the international radar screen since Indonesia became an independent state in 1945 Since the surrender of the territory of Papua to Indonesia in 1962 a low intensity military conflict has been building Most Papuans believed that their right to self determination was sacrificed on the altar of geopolitics Later when East Timor seceded peacefully from Indonesia Papuans expected the same right When this did not happen the conflict intensified In this pivotal work Bilveer Singh examines the history of the Papuan struggle and approaches to conflict resolution through the framework of its geopolitical implications Asserting that the Papuans were treated unjustly by Indonesia and the international community it is not surprising that many have come down squarely on the side of Papuan independence as a way out of the imbroglio While to some extent the Papuan's case cannot be denied definite political and strategic realities should not be ignored Unfortunately for the Papuans their territory has immense geopolitical geostrategic and economic significance not only for Indonesia but also for others such as the United States China Australia and a number of European countries Papua is wealthy under populated and backward in terms of human resource development Its future as a distinct entity is in real danger as the Papuans are becoming the minority in their own homeland Due to the asymmetry of power the Papuans struggle has not made a breakthrough that would force Indonesia to rethink the future of the territory in any fundamental way In order to unravel the dynamics involving Papuan separatism this study describes the Papuan political landscape Singh explains what makes Papua unique and how its makeup has affected the territory's political dynamics He analyzes the emergence of Papua as a geopolitical trophy calling into question the degree to which Papuan nationalism has crystallized Finally he questions whether Papua is emerging as a regional flashpoint and in view of its geopolitical importance the various options available Papua Geopolitics and the Quest for Nationhood will be of interest to scholars of international relations comparative politics of Indonesia and the Asia Pacific and policymaking *Indonesian News and Views* ,1974 **Current Issues in**

Anthropology, the Netherlands Peter Kloos, H. J. M. Claessen, 1981 *East Timor and the International Community* Heike Krieger, Dietrich Rauschnig, 1997 The long running dispute over East Timor was for many years an unresolved item on the agenda of the international community It involved issues of self determination non recognition and human rights This book was first published in 1996 five years before East Timor regained its independence It thus serves as a record of the basic materials relating to the historical background to the circumstances of the Indonesian invasion and following incorporation of East Timor to the subsequent development of the dispute in the light of the international community s response to it and finally to the 1995 judgment of the International Court of Justice in the case concerning East Timor between Portugal and Australia The volume contains a substantive introduction which places the documents in context and provides an overview of the political and legal issues of the dispute

The Sequences of Crises in Indonesia Akio Yasunaka, 1978 *Indonesia* Malcolm Caldwell, Ernst Utrecht, 1979 **Focus on Indonesia**, 1967 *Monograph Series*, 1961 *The Question of Portuguese Timor* Indonesia. Departemen Luar Negeri, 1975 **Daily Report**, 1975-02 **The Land of Promise** Abdelwahab M. Elmessiri, 1977 *The West New Guinea Debacle* C.L.M. Penders, 2021-10-01 This is a history which deals with the end of the Dutch colonial rule the early independent Indonesia the West New Guinea question and the emergence of Papuan nationalism The book chiefly concentrates on Dutch policies and perspectives which have so far generally been ignored in existing English language publications Netherlands Indonesian relations between 1950 and 1958 are treated in depth with a description and analysis of the struggle for power between the early more Western attuned and economic rationalist cabinets on the support of which the fate of the vast Netherlands controlled export economy was dependent and the masses driven by Sukarno and the populist parties West New Guinea and Papua nationalism began as early as the 1920s and 1930s and by the early 1950s the Dutch had set about guiding the Papuans towards independence This policy had to be aborted however with the threat of an Indonesian invasion and the unwillingness of the US to provide armed support to Dutch forces As a result Australia too was reluctantly forced to abandon the Dutch Australia was forced to accept the inevitable It had actively encouraged the Netherlands to hold onto West New Guinea completed agreements on economic and social cooperation and conducted in depth studies about a possible Australia Dutch defence system against Indonesian aggression Without US military support however the situation became untenable This book will be required for those seeking to understand the genesis of the situation in West New Guinea today where Papuan nationalism is again in the ascendant following the recent dramatic events leading to the independence of East Timor Co published with Crawford House Publishing *895 Days that Changed the World* Graeme Stewart Mount, Mark Gauthier, 2006 When asked why he pardoned Nixon Ford simply replied it was the right thing to do **Indonesia Issues**, 1993 *Asian Thought & Society*, 1983
