Kontum Thomas P. McKenna, 2011-09-09 In the spring of 1972 North Vietnam invaded South Vietnam in what became known as the Easter Offensive Almost all of the American forces had already withdrawn from Vietnam except for a small group of American advisers to the South Vietnamese armed forces The 23rd ARVN Infantry Division and its American advisers were sent to defend the provincial capital of Kontum in the Central Highlands They were surrounded and attacked by three enemy divisions with heavy artillery and tanks but with the help of air power managed to successfully defend Kontum and prevent South Vietnam from being cut in half and defeated Although much has been written about the Vietnam War little of it addresses either the Easter Offensive or the Battle of Kontum In *Kontum The Battle to Save South Vietnam* Thomas P McKenna fills this gap offering the only in depth account available of this violent engagement McKenna a U S infantry lieutenant colonel assigned as a military adviser to the 23rd Division participated in the battle of Kontum and combines his personal experiences with years of interviews and research from primary sources to describe the events leading up to the invasion and the battle itself *Kontum* sheds new light on the actions of U S advisers in combat during the Vietnam War McKenna s book is not only an essential historical resource for America s most controversial war but a personal story of valor and survival

What So Proudly We Hail Amy A. Kass, Leon R. Kass, Diana Schaub, 2013-07-15 A stupendous compilation of the best things said by and to Americans I open it every night at random and always find something valuable Peggy Noonan Wall Street Journal Indispensable Should become The Book of Virtues for patriots Mona Charen nationally syndicated columnist Concerned about rising cynicism and apathy more and more Americans lament the decline in patriotic feeling and civic engagement Fortunately this wonderfully rich anthology is here to help all Americans realize more deeply and appreciate more fully who they are as citizens of the United States At once inspiring and thought provoking **What So Proudly We Hail** explores American identity character and civic life using the soul shaping power of story speech and song Editors Amy Kass Leon Kass and Diana Schaub acclaimed scholars who among them have more than a century of teaching experience have assembled dozens of selections by our country's

greatest writers and leaders from Mark Twain to John Updike from George Washington to Theodore Roosevelt from Willa Cather to Flannery O Connor from Benjamin Franklin to Martin Luther King Jr from Francis Scott Key to Irving Berlin Featuring the editors insightful and instructive commentary What So Proudly We Hail illuminates our national identity the American creed the American character and the virtues and aspirations of active citizenship This marvelous book will spark much needed discussion and reflection in living rooms classrooms and reading groups everywhere De Waterstaats ingenieur ,1928 *Suid-Afrikaanse Hofverslae* ,2004 Abandoning Vietnam James H. Willbanks,2004 Drawing upon both archival research and his own military experiences in Vietnam Willbanks focuses on military operations from 1969 through 1975 He begins by analyzing the events that led to a change in U S strategy in 1969 and the subsequent initiation of Vietnamization He then critiques the implementation of that policy and the combat performance of the South Vietnamese army ARVN which finally collapsed in 1975 **Trial by Fire** Dale Andradé,1995 The Easter Offensive took place primarily in the northern three military regions out of a total of four of South Vietnam In the northernmost region called I Corps the North Vietnamese opened the attack on 30 March 1972 with a massive artillery barrage of an intensity unmatched since World War II Worse from an infantryman s perspective there were heavy tanks also unprecedented on the battlefields of South Vietnam Frightened South Vietnamese soldiers cowered in their positions often refusing to fight They abandoned many key positions and by the end of April most of Quang Tri Province including the provincial capital was in enemy hands and an entire South Vietnamese division had been destroyed In II Corps and III Corps the battle began less dramatically but with equally devastating effects District capitals fell in quick succession in three provinces and two key cities Kontum and An Loc came under siege After savage fighting lasting more than a month both cities managed to hold out though they were largely destroyed The key to this pyrrhic victory was American air power lots of it which bombed the besieging North Vietnamese troops around the clock Statistics indicate that a vast majority of enemy casualties there were probably some 30 000 killed and wounded were inflicted by aerial attacks Both sides claimed victory after the Easter Offensive which officially ended in September 1972 with the recapture of Quang Tri City by South Vietnamese Marines But the verdict is not so clear cut North Vietnam had gained none of its goals of capturing and holding a provincial capital nor had it decisively defeated the South Vietnamese Army On the other hand North Vietnam did gain considerable territory along the Laotian and Cambodian borders as well as the area just south of the Demilitarized Zone Few people lived in these regions but any ground gained played well at the Paris negotiating table In the end North Vietnam committed all but one of its divisions to battle leaving only a skeleton force to guard the homeland against a counterattack This is unprecedented in military history and illustrates how confident Hanoi was that the Americans would not strike back Indeed the only U S response was renewed bombing of the North the culmination of which was Operation Linebacker II the infamous Christmas bombing Whatever else it accomplished the combination of North Vietnamese offensive and American bombing retaliation brought about final agreement on a peace
