

Basic Bible Interpretation

- Can the Bible really be understood?
- Are Old Testament prophecies relevant for today?
- How can I understand the symbolism of the Book of Revelation?
- What is the relationship of the Old Testament to the New Testament?

Why study Bible interpretation? Dr. Roy Zuck points out that it is essential for understanding and teaching the Bible properly, essential as a step beyond observation, and essential for applying the Bible correctly.

He discusses the challenges of Bible interpretation, considers the problems of Bible interpretation, explores the history of Bible interpretation, and defines key terms—all in a practical, down-to-earth way.

Though Dr. Zuck's many years of teaching and scholarship are evident in this book, he has written in language understandable to all who are serious about Bible study and who want to know better what Scripture means.

Roy B. Zuck is Senior Professor/Emeritus of the Bible Exposition Department at Dallas Theological Seminary, where he has served on the faculty since 1973. Dr. Zuck has written or edited seventeen books on Christian education and biblical studies, and has earned degrees from Biola University (A.B.) and Dallas Theological Seminary (Th.M. and Th.D.). He was associate editor of *Bibliotheca Sacra* (Dallas Seminary's theological journal) from 1974 to 1985, and has been editor since 1986.

Basic Bible Interpretation Roy B. Zuck,1991 **Satan's Strategy to Curse Christ's Congregation** Andy Woods,Keith A. Sherlin,2010-10-01 Dr Sherlin has worked diligently to show the importance of elder rule What he has done is restore us to sound principles that come straight from the Bible His book is a must for every assembly that wants to remain strong rather than go the way of the culture I cannot recommend his book enough Dr Mal Couch In this work the author sets out the biblical case for congregations being ruled by a plurality of Godly men known as elders This work is meticulously footnoted and documented making it an invaluable resource for the layman and scholar alike Dr Andy Woods Keith writes in a manner that is precise and with a fluidity of understanding of current day church leadership The tone of his writing is shared in love and there are no judgmental undertones that permeate his thoughts I would wholly recommend this reading to all who profess Christ as their Lord Pamela Rogers Dr Keith has presented a solid case for authoritative leadership in the church His book is a call for us to return to biblical leadership and be presbyters instead of politicians Dr C V Varnado Do you believe that your local assembly is full of conflict confusion and or compromise Are you familiar with the strategy of Satan and his methods to undermine the grace love and truth of Christ s body This work makes a clear and convincing case that many problems in congregations occur because the body has adopted a flawed foundation of church government and doctrine that is more political than biblical How much or to what degree has Satan made inroads into your spiritual family and leadership body Read and judge for yourself and if necessary seek to apply the prescribed remedy to the problem
