Best Business Practices for Photographers, Second Edition John Harrington, 2009 A truly successful photographic career means not only financial success but also personal satisfaction and fulfillment. The goal of *Best Business Practices for Photographers* is to help you achieve success in each of these areas. This book is not a guide to taking better pictures or selling your photography. It covers the focal points of best practices: best practices in interacting with clients, best practices in negotiating contracts and licenses, and best practices in business operations. It provides a roadmap for successfully navigating these and many other issues facing photographers today.
