Structure & Function of the Body - E-Book Kevin T. Patton, Gary A. Thibodeau, 2019-09-28. Get a solid understanding of the human body. Using simple conversational language and vivid animations and illustrations, *Structure & Function of the Body*, 16th Edition, introduces the normal structure and function of the human body and what the body does to maintain homeostasis. To help make difficult AP concepts easy to understand, this new edition features thoroughly revised content and review questions which reflect the most current information available, and a unique 22-page semi-transparent insert of the human body. Plus Connect It boxes throughout directly correlate to online content, giving you additional clinical and scientific insights essential to patient care. 22-page Clear View of the Human Body is a unique full-color semi-transparent insert depicting the human body, male and female, in layers. Conversational and clear writing style makes content easy to read and understand. Full-color design contains more than 400 drawings and photos. Updated study tips sections at the beginning of each chapter help break down difficult topics and guide you on how to best use book features to their advantage. Questions for student review are found throughout the chapters and cover critical thinking, open-ended, fill-in-the-blank, matching, multiple-choice, and other question formats. Special boxes such as Health and Well-Being boxes, Clinical Application boxes, Research and Trends boxes, and more help you apply what you have learned to your future career. Language of Science and Medicine section in each chapter includes key terms, word parts, and pronunciations to place a greater focus on medical terminology. Resources on the Evolve companion website include Animation Direct, audio summaries, audio glossary, a new online coloring book, review questions, and FAQs. NEW: Thoroughly revised chapters, illustrations, and review questions reflect the most current information available. NEW: Connect It boxes refer you to online content, providing additional clinical and
