The Establishment Owen Jones, 2015-04-21 A major bestseller in the UK and a six time Best Book of 2014 *The Establishment* is a sweeping look at how power and money have made British politics hugely undemocratic Power money and undemocratic politics wait does that sound familiar Who wields power in politics It is a question that's asked all too often and never really answered But that's exactly what Owen Jones has done in *The Establishment* which has already taken Great Britain by storm To expose the shadowy and unaccountable network of people who dominate British political life the people who influence major decisions and reap huge profits in the process Owen Jones sets out on a journey into the very heart of the elite From the lobbies of the Houses of Parliament to Rupert Murdoch's newsrooms to the conference rooms of some of the world's biggest banks Jones

systematically explores the revolving doors that link the worlds of politics media and finance and shows how this corrupt and incestuous world came to be Funny sharp and rich with brilliant descriptions of the men and women at the heart of the elite The Establishment is a joy to read but its diagnosis is deadly serious the establishment is the biggest threat to democracy today And it s time writes Jones for it to be challenged The Comic Turn in Contemporary English Fiction Huw Marsh,2020-07-09 The Comic Turn in Contemporary English Fiction explores the importance of comedy in contemporary literature and culture In an era largely defined by a mood of crisis bleakness cruelty melancholia environmental catastrophe and collapse Huw Marsh argues that contemporary fiction is as likely to treat these subjects comically as it is to treat them gravely and that the recognition and proper analysis of this humour opens up new ways to think about literature Structured around readings of authors including Martin Amis Nicola Barker Julian Barnes Jonathan Coe Howard Jacobson Magnus Mills and Zadie Smith this book suggests not only that much of the most interesting contemporary writing is funny and that there is a comic tendency in contemporary fiction but also that this humour this comic licence allows writers of contemporary fiction to do peculiar and interesting things things that are funny in the sense of odd or strange and that may in turn inspire a funny turn in readers Marsh offers a series of original critical and theoretical frameworks for discussing questions of literary genre style affect and politics demonstrating that comedy is an often neglected mode that plays a generative role in much of the most interesting contemporary writing creating sites of rich political stylistic cognitive and ethical contestation whose analysis offers a new perspective on the present Chavs Owen Jones,2018-10-08 En la Gran Bretaña actual la clase trabajadora se ha convertido en objeto de miedo y escarnio Desde la Vicky Pollard de Little Britain a la demonización de Jade Goody los medios de comunicación y los políticos desechan por irresponsable delincuente e ignorante a un vasto y desfavorecido sector de la sociedad cuyos miembros se han estereotipado en una sola palabra cargada de odio chavs En este aclamado estudio Owen Jones analiza cómo la clase trabajadora ha pasado de ser la sal de la tierra a la escoria de la tierra Desvelando la ignorancia y el prejuicio que están en el centro de la caricatura chav retrata una realidad mucho más compleja el estereotipo chav dice es utilizado por los gobiernos como pantalla para evitar comprometerse de verdad con los problemas sociales y económicos y justificar el aumento de la desigualdad Basado en una investigación exhaustiva y original este libro es una crítica irrefutable de los medios de comunicación y de la clase dirigente y un retrato esclarecedor e inquietante de la desigualdad y el odio de clases en la Gran Bretaña actual La edición incluye un nuevo capítulo que explora las causas y las consecuencias de los episodios de violencia que ocurrieron durante el verano de 2011 en Inglaterra A Spy Like No Other Robert Holmes,2012 This extraordinary new book draws dramatic links between those events and the death of JFK The Decline of the West Owen Jones,2026-10 The Fall of the West Owen Jones,2026-10-01 From the critically acclaimed author of The Establishment an excoriating take down of Western hubris and the book that reveals why we re really in the state we re in Almost everywhere we turn these days there s talk of a West in decline Our jobs our values our past are all

under attack in the face of which we have become immersed in self loathing gone weak at the knees the West needs to be Made Great Again We know where this toxic narrative comes from the nationalist nativist Right And now it s gone mainstream The thing is the West is in decline self evidently so But the truth is that it s not migrants or Muslims or a woke mob which has brought the West to the edge of catastrophe It s good old fashioned hubris In this blistering new book Owen Jones explores how amid the triumphalist sugar rush that came with the collapse of the Soviet Union the West came to believe that its rule its economic order its moral values would endure for ever and how over a quarter century this brittle self mythologising narrative collapsed in on itself From Afghanistan and Iraq to the economic crash of 2008 and Gaza today he takes us on a journey to show how the West went from scoring what it believed was its final victory to being engulfed in an existential crisis of its own making And how along the way it fashioned an ugly new story that this was the fault of the most vulnerable groups in society rather than a power hungry venal ruling class Today as the Atlantic alliance struggles to hold itself together The Fall of the West exposes how a generation of Western elites bent on power and self enrichment at any cost fatally overreached itself and argues that if we are to find the solutions to our age of crisis we must first understand the real reasons for how the West lost it

The Establishment Owen Jones,2016-03-04 THE PHENOMENAL BESTSELLER Fantastic timely eye opening Armando Iannucci New Statesman Books of the Year Captures a collective sense of anger and awakening Matt Haig Observer Books of the Year Behind our democracy lurks a powerful but unaccountable network of people who wield massive power and reap huge profits in the process In exposing this shadowy and complex system that dominates our lives Owen Jones sets out on a journey into the heart of our Establishment from the lobbies of Westminster to the newsrooms boardrooms and trading rooms of Fleet Street and the City Exposing the revolving doors that link these worlds and the vested interests that bind them together Jones shows how in claiming to work on our behalf the people at the top are doing precisely the opposite In fact they represent the biggest threat to our democracy today and it is time they were challenged A book of revelations The Establishment have stitched it up stitched you up and they know it Danny Dorling Times Higher Education Supplement A dissection of the profoundly and sickeningly corrupt state that is present day Britain He is a fine writer and this is a truly necessary book Philip Pullman Owen Jones is a phenomenon of our times David Kynaston The Times Literary Supplement You will be enlightened and angry Irvine Welsh

The Benn Heresy Alan Freeman,2014-09-20 This new edition of the classic biography of Tony Benn captures the essence of Benn s formidable impact on the British Labour Party and British politics Written at the apogee of his career immediately after the Labour Party s 1981 Deputy Leadership campaign under Harold Wilson it charts the evolution of Benn s ideas and the underlying reasons both for their resonance with the British public and their root and branch rejection by the British political elite The rise and persistent attraction of both Benn and Bennism is set against the background of a British industrial decline imposed by the obstinate craving of the political classes of both right and left for a fading imperial glory Alan Freeman shows how Benn set out to reverse both by

means of a radical democratic transformation of British society exploding the Blairite myth of Benn as an inconsequential amiable and unelectable eccentric Benn emerges as a figure of towering insight and political courage combining the commitment to equality and social values which defined the postwar Labour left The result is a vision as relevant to Britain today as it was thirty years ago This new edition includes the interview with Benn conducted just after the 1981 Leadership election a substantive new chapter by the author and a foreword by Owen Jones the author of *Chavs The Demonization of the Working Class and The Establishment And How They Get Away With It* *If We Tolerate This* Daniel Trilling, 2026-04-30 The language of the far right is now in the mouths of our mainstream political leaders from Labour to the Conservatives In 2025 we saw the biggest far right march in Britain's history after a summer of flag waving protest The year before racist mobs tried to attack mosques and hotels housing asylum seekers Something incredibly dangerous has been unleashed and yet our political class seems at best indifferent and at worst to welcome it In this short urgent and brilliantly illuminating book Daniel Trilling explains how we arrived at this extraordinary moment and what we can do to change course before it's too late Praise for Daniel Trilling Racism and the rise of the far right in Britain are often discussed but rarely understood Daniel Trilling is an exception his voice must be heard Owen Jones author of *Chavs The Demonization of the Working Class* Combining forensic enquiry with moral passion Daniel Trilling has emerged as one of our most intrepid and resourceful reporters Pankaj Mishra Windham Campbell Prize winning author of *The World After Gaza* **Chavs : la demonización de la clase obrera** Owen Jones, 2012-10 *The Communist Manifesto* Karl Marx, Friedrich Engels, 2017-10-03 The Communist Manifesto originally titled Manifesto of the Communist Party German Manifest der Kommunistischen Partei is a short 1848 book written by the German Marxist political theorists Karl Marx and Friedrich Engels It has since been recognized as one of the world's most influential political manuscripts Commissioned by the Communist League it laid out the League's purposes and program It presents an analytical approach to the class struggle historical and present and the problems of capitalism rather than a prediction of communism's potential future forms The book contains Marx and Engels' Marxist theories about the nature of society and politics that in their own words The history of all hitherto existing society is the history of class struggles It also briefly features their ideas for how the capitalist society of the time would eventually be replaced by socialism and then eventually communism A number of late 20th and 21st century writers have commented on the Communist Manifesto's continuing relevance In a special issue of the Socialist Register commemorating the Manifesto's 150th anniversary Peter Osborne argued that it was the single most influential text written in the nineteenth century Academic John Raines in 2002 noted that In our day this Capitalist Revolution has reached the farthest corners of the earth The tool of money has produced the miracle of the new global market and the ubiquitous shopping mall Read The Communist Manifesto written more than one hundred and fifty years ago and you will discover that Marx foresaw it all In 2003 the English Marxist Chris Harman stated There is still a compulsive quality to its prose as it provides insight after insight into the

society in which we live where it comes from and where its going to It is still able to explain as mainstream economists and sociologists cannot today s world of recurrent wars and repeated economic crisis of hunger for hundreds of millions on the one hand and overproduction on the other There are passages that could have come from the most recent writings on globalisation Alex Callinicos editor of International Socialism stated in 2010 that This is indeed a manifesto for the 21st century Writing in The London Evening Standard in 2012 Andrew Neather cited Verso Books 2012 re edition of The Communist Manifesto with an introduction by Eric Hobsbawm as part of a resurgence of left wing themed ideas which includes the publication of Owen Jones best selling Chavs The Demonization of the Working Class and Jason Barker s documentary Marx Reloaded In contrast critics such as Revisionist Marxist and reformist socialist Eduard Bernstein distinguished between immature early Marxism as exemplified by the Communist Manifesto written by Marx and Engels in their youth that he opposed for its violent Blanquist tendencies and later mature Marxism that he supported This latter form refers to Marx in his later life acknowledging that socialism could be achieved through peaceful means through legislative reform in democratic societies Bernstein declared that the massive and homogeneous working class claimed in the Communist Manifesto did not exist and that contrary to claims of a proletarian majority emerging the middle class was growing under capitalism and not disappearing as Marx had claimed Bernstein noted that the working class was not homogeneous but heterogeneous with divisions and factions within it including socialist and non socialist trade unions Marx himself later in his life acknowledged that the middle class was not disappearing in his work Theories of Surplus Value 1863 The obscurity of the later work means that Marx s acknowledgement of this error is not well known George Boyer described the Manifesto as very much a period piece a document of what was called the hungry
