**Business Ideas You Can Turn Into Cash** Luis S.R. Vas,2002-06-01 Business Ideas you can turn into cash brings you advice from experts in various fields who successfully started their own businesses sometimes with little cash to begin with and sometimes even without an idea Both ideas and cash can be generated if you have the enthusiasm to cash in on your abilities You think you have no abilities Many people who launched successful businesses thought so at first until they learnt a way to systematically uncover their abilities Once you know what these abilities are you still have a long way to go but you have made a beginning This book will lead you systematically through Various stages of generating great business ideas that you can exploit and turn into cash Numerous real life examples from India and abroad Suggestions on what you can learn from them and how you can generate your own money producing ideas Better Than a Lemonade Stand! Daryl Bernstein,Rob Husberg,1992 *25 Business Ideas For Smart Entrepreneurs* Arun Jayaram,2021-02-10 They say business ideas are dime a dozen but I don t fully agree with this If you want pursue a idea similar to that of a multi national conglomerate you are sure to go bust Unless have resources for it All that aside ideas are very important Otherwise you will be competing in red ocean basically from the book blue ocean strategy the idea is to focus on niche or business where there is not much competition But that doesn t stop there Many people waste time by coming up idea after idea without taking action they are called wantpreneurs which is of no use After idea test for its validity and money making potential and pursue it execution is name of the game Test test test and improvise on your initial idea or hypothesis *201 Great Ideas for Your Small Business (Summary)* Jane Applegate,2000 getAbstract Summary Get the key points from this book in less than 10 minutes Jane Applegate s book is an idea journal for the budding entrepreneur No one business can use all these ideas every business owner will be able to use a few of the ideas Applegate mentions Some of her great ideas are specific to a single type of business Other ideas sound fine but deal with areas that are difficult for an entrepreneur to control The book s big drawback is that it lacks an over reaching strategy It is a set of disconnected ideas which makes it more useful as a brainstorming tool than as anything you would use as the basis of a business It doesn t tell you how to create a marketing plan but it gives you marketing ideas you can incorporate into the plan you develop getAbstract recommends this book to owners of relatively new small businesses who are hungry for a few ideas to move it further along Note many of the ideas are specific to the United States Book Publisher Bloomberg Press Start a Business in New York
