- Small class size and a highly recommended P.Eng. instructor
- All exam preparation materials, including a law textbook
- Valuable networking opportunity with colleagues

Unrivaled Resources & Features

Learning at an Ideal Pace

We slow down the pace of learning for a reason...
To elevate your learning! By spreading the course material across several weeks, you're able to better engage with the material and ask questions. You'll develop a solid understanding of legal and ethical regulations critical to the PPE and the work you do in industry. It's about more than preparing for the exam – it's about elevating your profession too!

2

3

We prepare you for the PPE and your long-term professional needs:

- Knowledge of the Canadian legal system, including tort law, business structures, legal duties of engineers, professional liability, property law, human rights & more!
- Knowledge of the Code of Ethics, ethical duties of engineers, regulation of the profession, product liability, professional misconduct, disciplinary procedures & more!
- Methods of approach for answering PPE questions, including sample questions

In-Depth Curriculum

Track Record of Success

Most participants attend because of a recommendation from a past student:

- 80% say they better understand the standards and behaviours expected of them as an engineer in Canada
- 84% say they gained a better understanding of the engineering profession in Canada
- 90% say the technical content prepared them for the PPE

4

5

Our support continues AFTER you complete the program!

- Enjoy access to post-program resources up to 1 year after completing the program:
- Supporting you when you resubmit your Experience Record post-PPE – OSPE's workshop "Preparing your PEO Experience Record" (over \$200 value)
