gender focused investing where more women are placed in decision making roles and able to optimize their skills across all
capital markets leading to higher returns for individual investors and greater economic growth There s a simple but often
overlooked investment strategy to earning higher returns include women as financial decision makers within your
organization or team That s The XX Edge Seasoned executives and investors Patience Marime Ball and Ruth Shaber
demonstrate the new paradigm where women are at the center of investing as agents and actors not just as beneficiaries If
you manage investments either your own or others you ll want to understand the data and discover the financial power of
The XX Edge Gender inclusive teams are 21% more likely to see outperformance in profitability relative to peers Female
CFOs deliver a 6% increase in profits and an 8% stock performance bump compared to overall performance under male
predecessors New companies with a female founder performed 63% better than those with all male teams over an observed
ten year period Women run hedge funds outperformed the average of larger hedge funds by a margin of 6% over a six and a
half year period You ll discover the inherent gender differences between women and men and why these differences make
women excellent financial decision makers and investment collaborators Patience and Ruth unpack the evidence that proves
this point across all asset classes The XX Edge shows that when women make financial decisions and apply their skills across
all capital markets it leads to higher returns for individual investors and greater economic growth a true win win for all
