Leadership And Change In The Multilateral Trading System:

Leadership and Change in the Multilateral Trading System Amrita Narlikar, Brendan Vickers, 2009 This volume presents an authoritative and cutting edge account of the evolving multilateral trading system and the challenges that it faces today It focuses on details affecting the Doha negotiations and also addresses broader themes of leadership changing balances of power and institutional limitations of the WTO *The Oxford Handbook on The World Trade Organization* Amrita Narlikar, Martin Daunton, Robert M. Stern, 2012-05-31 This handbook provides a holistic understanding of what the World Trade Organization does how it goes about fulfilling its tasks its achievements and problems and how it might contend with some critical challenges [Making Global Trade Governance Work for Development](#) Carolyn Deere Birkbeck, 2011-08-18 Discussion of the governance of global trade and the multilateral trading system is too often dominated by developed country scholars and opinion makers with inadequate attention given to developing country perspectives Making Global Trade Governance Work for Development gathers a diversity of developing country views on how to improve the governance of global trade and the WTO to better advance sustainable development and respond to the needs of developing countries With contributions by senior scholars commentators and practitioners the essays combine new empirically grounded research with practical insights about the trade policy making process They consider the specific governance issues of interest to developing countries and acknowledge the changing dynamics in the global economy and in trade decision making **The Post-Cold War Trading System** Sylvia Ostry, 2008-04-15 With the end of the Cold War the search for a new international and economic order has begun In this comprehensive account Sylvia Ostry provides a critical analysis of an international trade system in the throes of rapid and far reaching change With keen historical awareness Ostry examines the role of key economic power brokers particularly the United States in the reconstruction and reconfiguration of an international economy after World War II She argues that U S policy efforts were so successful that they led to an unprecedented renewal of economic growth living standards and education levels in postwar Europe and Japan Ironically those same policy successes unintentionally fostered the relative decline of U S dominance on the world trade scene as the reduction of trade and investment barriers prompted friction and conflict between different kinds of capitalist systems Identifying the historical and legal issues key to postwar trade policy Ostry has commandingly charted our economic course through the last half of this century and perhaps into the next Sylvia Ostry knows this subject as few others do both as a scholar of international trade issues and a major player in the ongoing negotiations that have created the rules of the trade game The Post Cold War Trading System is a fine summary of where we ve been and where we ought to be going Peter Passell economic scene columnist for The New York Times *Charting a Course for the Multilateral Trading System* Ernest H. Preeg, 1999 This is the underlying issue confronting the World Trade Organization as trade ministers contemplate the launch of a new multilateral round of trade negotiations *The Multilateral Trading System in a Globalizing World* Lee-Jay
