Raptor Andrew Feld, 2012-02-12 *Raptor* the second book by the author of the widely praised *Citizen* is a collection of formal poems and measured free verse unified by its investigation of our ancient poetic mythic and scientific fascination with birds of prey hawks eagles owls vultures and falcons Drawing extensively on his own experience working at a raptor rehabilitation center along with a variety of sources ranging from medieval texts on falconry to the latest conservation studies of raptor anatomy and habitat Andrew Feld shows these killing birds to be mirrors for humanity as indicator species and as highly charged figures for the intersection of that which we call wild and that which we think of as domesticated or domestic and how these opposed terms apply to the imperiled natural world to our human social relations and to our most private interior selves In these poems Feld does not shy away from either the damaging world or the new more comprehensive view damage affords in its aftermath *Bird Brother* Rodney Stotts, Kate Pipkin, 2022-02-03 To escape the tough streets of Southeast Washington D C in the late 1980s young Rodney Stotts would ride the metro to the Smithsonian National Zoo There the bald eagles and other birds of prey captured his imagination for the first time In *Bird Brother* Rodney shares his unlikely journey to becoming a conservationist and one of America s few Black master falconers Rodney grew up during the crack epidemic with guns drugs and the threat of incarceration an accepted part of daily life for nearly everyone he knew To rent his own apartment he needed a paycheck something the money from dealing drugs didn t provide For that he took a position in 1992 with a new nonprofit the Earth Conservation Corps Gradually Rodney fell in love with the work to restore and conserve the polluted Anacostia River that flows through D C As conditions along the river improved he helped to reintroduce bald eagles to the region and befriended an injured Eurasian Eagle Owl named Mr Hoots the first of many birds whose respect he would work hard to earn *Bird Brother* is a story about pursuing dreams against all odds and the importance of second chances Rodney s life was nearly upended when he was arrested on drug charges in 2002 The jail sentence sharpened his resolve to get out of the hustling life With the fierceness of the raptors he had admired for so long he began to

train to become a master falconer and to develop his own raptor education program and sanctuary Rodney's son Mike a D C firefighter has also begun his journey to being a master falconer with his own kids cheering him along the way Eye opening witty and moving Bird Brother is a love letter to the raptors and humans who transformed what Rodney thought his life could be It is an unflinching look at the uphill battle Black children face in pursuing stable fulfilling lives a testament to the healing power of nature and a reminder that no matter how much heartbreak we've endured we still have the capacity to give back to our communities and follow our wildest dreams
