

The book cover features a collage of images related to electrical engineering and electronics. At the top left, there's a close-up of a complex circuit board with numerous components and wires. To the right, a white rocket with orange boosters is shown in flight against a blue sky. Below the rocket, a large, lattice-structured transmission tower stands against a clear sky. At the bottom, a person's hands are seen typing on a keyboard in front of a computer monitor displaying a software interface. The entire collage is set against a dark blue background that transitions into a light grey area where the title is placed.
