## Introduction to Ethics

As the world evolves, you act in the shadow of a glass ethical fog that is slowly but surely condensing all of the traditional ethical values, norms, and standards and technological advances, economic conditions, political realities, and global communication make it difficult for leaders to ignore the important ethical issues in the world and recognize their potential risks and their needs. As our temporal and material world evolves, ethical issues become increasingly complex and often multifaceted, professionals, every professionals have begun to develop an appreciation for traditional philosophies of ethics and the diverse components of ethics.

Ethical decisions are not always clearly visible and people sometimes struggle about what is right and wrong. There is no one and every people to be done
