RECONNECT With God in a Noisy World Kingsley Uzoma,2025-12-29

Life is loud Distractions are constant But God is still speaking Many believers today feel stretched thin pulled in every direction by responsibilities notifications and the pressure to keep up In the midst of all this noise it s easy to feel spiritually tired disconnected or unsure of how to slow down and truly hear God again RECONNECT With God in a Noisy World was written from that very place It grew out of a personal journey marked by questions growth and a deep desire to walk more closely with God in the middle of modern life This book doesn t rush you or offer shallow answers Instead it invites you to pause reflect and honestly examine what may be quietly pulling your attention away from God s presence Through biblical insight thoughtful reflection and practical spiritual wisdom this book helps you Recognize how modern distractions subtly affect your faith Develop a quieter more attentive heart toward God Rebuild consistency in prayer and spiritual discipline Rediscover peace clarity and intimacy with God This is not a book about having it all together It s about returning to stillness returning to faith and returning to God If you feel spiritually overwhelmed disconnected or simply longing for something deeper this book will meet you where you are and gently guide you back to the One who has been waiting all along

The Gentle Smile Diane Berke,1995 The gentle smile is a personal experience of wholeness and peace Many spiritual traditions teach that the root cause of suffering is our mistaken belief that we are alone separated from God from other people from our own lives Diane Berke helps us to cultivate compassion toward ourselves and others to realize the oneness that sets us free to become the gentle smile
