James N. Spencer,George M. Bodner,Lyman H. Rickard,2011-08-24 Spencer s *Chemistry Structure and Dynamics* is the most
successful reform project published for the General Chemistry course The authors have built the text on the
recommendations of the ACS s Task Force on the General Chemistry Curriculum and suggestions from the adopters of
previous editions This innovative text provides a sixteen chapter introduction to the fundamental concepts of chemistry The
material is supplemented by special topics at the end of each chapter There are three major themes that link the content of
the book the process of science the relationship between molecular structure and physical chemical properties and the
relationship between the microscopic and macroscopic levels Spencer s *Chemistry* can work successfully in both small and
