**How to Make Positive Imaging Work for You** Norman Vincent Peale,1982\* The concept is a form of mental activity called imaging It consists of picturing vividly in your conscious mind a desired goal or objective and holding that image until it sinks into your unconscious mind where it releases great untapped energies It works best when it is combined with strong religious faith backed by prayer and the seemingly illogical technique of giving thanks for benefits before they are received When the imaging concept is applied steadily and systematically it solves problems strengthens personalities improves health and greatly enhances the chances for success in any kind of endeavor

**Looking Within** Anthony B. Wolbarst,1999-11-16 Looking Within describes a family of magical machines that allow doctors to see within the living body without having to slice it open The book presents a vitally important branch of medicine that combines cutting edge technologies with clinical applications that can spell the difference between life and death for patients

**Riches Are Your Right** Joseph Murphy Ph.D. D.D.,2019-05-09 This is a book full of powerful affirmations for health wealth relationships and self expression The idea behind these techniques is pretty simple Most of us grow up learning to put ourselves down for any real or imagined errors We grow up believing certain things about ourselves or comparing ourselves negatively to others The use of positive affirmations is a technique to change that negative self talk into something more positive Since we ve spent many years on the negative image it s unreasonable to expect an instant effect from affirmations but if we stick to it for a few days with honesty trust and belief then results will start to happen
