Thomsett,2010-08-13 This is the eBook version of the printed book This Element is an excerpt from Trading with Candlesticks Visual Tools for Improved Technical Analysis and Timing 013138094X by Michael C Thomsett Available in print and digital formats The simple introduction to candlestick charting what candlesticks are what they tell you and don't tell you and how to use them to invest more successfully Candlestick charting combines all the needed features of daily stock movement opening and closing breadth of the day's trading upward or downward price movement and high low prices reached during the day This is achieved through a combination of shape and color Candlesticks are easy to understand and are actually quite simple in what they reveal **Trading with Candlesticks** Michael C. Thomsett,2010-08-04 Traders who use charts to time their moves rely on strong and clear signals Unfortunately price levels and traditional technical indicators alone aren't always reliable There is a solution candlestick signs moves and patterns When these visual signs of reversal or continuation are integrated with other signals they provide the strongest possible entry and exit timing both the signal and the means for confirming it In this easy to use book renowned trader Michael C Thomsett demystifies candlesticks and shows active traders exactly how to use them In Trading with Candlesticks Thomsett explains how each leading candlestick works how they appear and how to interpret them to discover emerging price moves

and trend reversals as well as confirmations of existing trends Trading with Candlesticks shows dozens of examples of candlestick signs moves and patterns in action explaining them not in isolation but as part of broader developing price trends on real stock charts Thomsett also discusses failed signals and offers guidelines for identifying the likely impending failure or success of each pattern While no investing approach is 100% foolproof Thomsett s system for recognizing candlestick signals and confirming them with other technical signs makes technical analysis more accurate than it s ever been before
