Mastering Sambo for Mixed Martial Arts Scott Sonnon,2008-10-01 The founders of Russian sambo sifted through all of the world s martial arts including judo and jiu-jitsu to get the most combat effective techniques available Each technique was carefully dissected and considered for its merits in achieving sambo s ultimate goal to stop an armed or unarmed adversary in the least time possible In this book author Scott Sonnon traces the development of the four types of sambo self defense sport wrestling combat sambo and Spetsnaz and then focuses on sambo s mixed martial arts applications Here he reveals the signature saddle techniques that have made him one of the most respected leg lock coaches in the world With 101 step by step moves including entries sweeps passes recounters and a host of submissions this series is a must for all MMA competitors searching for an edge over the competition Sambo prides itself on fast wrestling

with only 60 seconds of groundfighting permitted In mixed martial arts however these locks only work 20 percent of the time and aren't worth sacrificing quality position As a result Sonnon modified traditional sambo to become a lower half positional approach so that fighters could both strike and defend against strikes maintain positional dominance and easily transition from one submission to the next in a chess like fashion as Brazilian JiuJitsu has become known for in the upper half game Now you too can learn these winning strategies from one of the best sambo instructors in the world *Sambo Wrestling* Reilly Bodycomb,2012-05-16 This instructional book details the rules techniques and principles of modern Sport Sambo in a format that can be appreciated by brand new students and experienced grapplers alike With full color professional photography this book beautifully renders some of the most important and dynamic techniques used in competitive Sambo all over the world This book can serve as a text book and stand alone system to incorporate Sambo into any grappling gym environment or simply add something interesting and unique to any martial arts fan's coffee table *Sambo: the basic throws* Alexander Kovalchuk ,2021-07-01 Sambo is a wrestling that originated in the USSR It is common to distinguish two sources of Sambo These are Japanese judo and various types of wrestling of the peoples of the former USSR For the first time sambo techniques were described by Anatoly Kharlampiev in 1938 Then he repeatedly published new books and described new techniques Later this work was continued by his students Gradually a set of basic techniques was formed which are studied in all sports club of Sambo This book summarizes the basic sambo throws from the books of Soviet authors
