G. John Berger, 1992-01-08 In this luminous novel winner of Britain's prestigious Booker Prize John Berger relates the story of G a young man forging an energetic sexual career in Europe during the early years of this century With profound compassion Berger explores the hearts and minds of both men and women and what happens during sex to reveal the conditions of the Don Juan's success his essential loneliness the quiet cumulation in each of his sexual experiences of all of those that precede it the tenderness that infuses even the briefest of his encounters and the way women experience their own extraordinariness through their moments with him All of this Berger sets against the turbulent backdrop of Garibaldi and the failed revolution of Milanese workers in 1898 the Boer War and the first flight across the Alps making G a brilliant novel about the search for intimacy in history's private moments

About Looking John Berger, 1992-01-08 As a novelist art critic and cultural historian Booker Prize winning author John Berger is a writer of dazzling eloquence and arresting insight whose work amounts to a subtle powerful critique of the canons of our civilization In *About Looking* he explores our role as observers to reveal new layers of meaning in what we see How do the animals we look at in zoos remind us of a relationship between man and beast all but lost in the twentieth century What is it about looking at war photographs that doubles their already potent violence How do the nudes of Rodin betray the threats to his authority and potency posed by clay and flesh And how does solitude inform the art of Giacometti In asking these and other questions Berger quietly but fundamentally alters the vision of anyone who reads his work
