

# 15 Networking Tips

by Jill Johnson

If you say you will come to an event, show up

Look for opportunities to use and promote your area of expertise

Be selective and definite about what you ask for from people

Connect in small increments and be careful about being too familiar too quickly

Use meal times for networking

Get to know people first and pay attention to what's important to them

Follow through - if you promise to do something do it

Use the telephone to keep in touch and make it personal

Make time for networking even when you are busy

Write hand written letters and send emails

Face time is critical - people will help you if they know you

Do better than your best in your work

Use your expertise to help others

Refer other people

Build your network before you need it
