Eric Geiger, Kevin Peck

Designed Lead Church Leadership Development:

Designed to Lead Eric Geiger, Kevin Peck, 2016-09-01 Most churches merely exist Many churches do not develop leaders intentionally and consistently When leaders emerge from some churches it is often by accident Something is missing Something is off Authors Eric Geiger author of bestselling *Simple Church* and *Creature of the Word* and Kevin Peck argue that churches that consistently produce leaders have a strong conviction to develop leaders a healthy culture for leadership development and helpful constructs to systematically and intentionally build leaders All three are essential for leaders to be formed through the ministry of a local church From the first recordings of history God has made it clear that He has designed creation to be led by His covenant people More than that He has decided what His people are to do with that leadership Whether you are called to lead your home in the marketplace in God s church or in your community if you are called by God you are called to lead others to worship the glory of God in Jesus Christ God has designed His people to lead A

Building Leaders Aubrey Malphurs, Will Mancini, 2004-03-01. Training the next generation of leaders is crucial to spreading the gospel, yet most churches have no formal way of doing this. Why? Tight budgets, small staffs, and a lack of know-how are just a few reasons suggested by church consultants Aubrey Malphurs and William Mancini in this groundbreaking book. Building Leaders provides real life examples of ways churches can unleash their true ministry potential by training staff members and laypeople to lead. With step by step instructions that can be applied to any church or parachurch ministry, Building Leaders shows readers how to empower, not just train, leaders. Overcome obstacles to developing leaders, identify emerging leaders, use biblical models for training leaders, form a leadership training program to fit any size or budget. Packed with surveys, discussion questions, and a leadership development guide, Building Leaders will encourage leaders to duplicate themselves in order to see their ministry grow. It is a perfect resource for ministry students, church leaders, and pastors.
