Marchewka,2015-02-13 The 5th Edition of Jack Marchewka s Information Technology Project Management focuses on how to create measurable organizational value MOV through IT projects The author uses the concept of MOV combined with his own research to create a solid foundation for making decisions throughout the project s lifecycle The book s integration of project management and IT concepts provides students with the tools and techniques they need to develop in this field   **Subject Guide to Books in Print** ,1991   **Process Analysis and Improvement: Text** Marvin S. Seppanen,2005   **Methods of IT Project Management, Fourth Edition** Jeffrey L. Brewer,Kevin C. Dittman,2022-10-15 Designed for graduate advanced undergraduate and practitioner project management courses with an information technology focus Methods of IT Project Management is designed around the Project Management Body of Knowledge PMBOK incorporating material from the latest seventh edition while still maintaining the book s process approach The text provides students with all the concepts techniques artifacts and methods found in the leading project management reference books and modern development methodologies agile hybrid and traditional while also conveying practical knowledge that can immediately be applied in real world settings Unlike other books in this area the

material is organized according to the sequence of a generic project life cycle from project selection to initiation planning execution control and iteration or project closeout Following this life cycle approach as opposed to covering the material by knowledge area or project performance domain allows new learners to simultaneously study project management concepts and methods as they develop skills they can use immediately during and upon completion of the course The text s structure also allows different programs to use the book during real world student projects   Instructors Resource Manual Lee Krajewski,2001-10-04   **Documentation Abstracts** ,1992   Government Reports Announcements & Index ,1988
