

Infotech

English for computer users

Third
Edition

Infotech is a series of English for computer users textbooks. It is designed for students of English as a second language who are studying computer science or related subjects. The series consists of three books: the Student's Book, the Teacher's Book and the Workbook. The Student's Book is the main textbook and contains all the material needed for the course. It is divided into ten units, each covering a different aspect of computer science. The Teacher's Book provides the teacher with a detailed guide to the course and contains all the answers to the exercises. The Workbook provides additional practice for the student and contains exercises on grammar, vocabulary and writing.
