direct expenses represent just the tip of the iceberg when it comes to Big Data's impact. Big Data is now of acute strategic interest for every organization that aims to succeed and it is equally important to everyone else. Whoever you are, Data Exhaust tells you exactly what you need to know about Big Data and what to do about it too. Financial Services Marketing Christine Ennew, Nigel Waite, Róisín Waite, 2024-10-02. This fourth edition of Financial Services Marketing firmly reinforces the book's role as a leading global educational resource combining appropriate conceptual principles with practical insights on how financial products and services are marketed in the real world. The authors draw upon their extensive international experience marketing some of the world's best known financial brands including Lloyds TSB and Barclays. Readers will gain a firm understanding of how financial products and services work within the commercial, social, economic, governmental, regulatory, and environmental context in which they operate. This fully updated and revised edition features a brand new chapter devoted to environmental, social, and corporate governance. Revised coverage of the impact of digital advances in all aspects of business models and marketing practice including how artificial intelligence (AI) and social marketing are changing financial services and customer experience. The latest regulatory developments for safeguarding the fair treatment of customers. New and improved case studies that showcase best practice from around the world. Upgraded Support Material including new teaching aids and references. Financial Services Marketing is essential reading for advanced undergraduate and postgraduate students studying Marketing for Financial Services, Marketing Strategy, and Consumer Ethics in Finance.
