**A Smarter Way to Learn Javascript** Mark Myers,2014 I found JavaScript books so frustrating I decided to write my own The authors of JavaScript books are probably some of the brightest people around And maybe that s the problem Maybe they don t know how to relate to those of us who may sometimes struggle to learn My sister is a wonderful dancer I dance like Bill Gates She says C mon dancing is easy Yeah for her but not for Bill and me She ll never teach me to dance until she understands that dancing isn t easy for me Whether you re a beginner or an experienced coder doesn t matter Plenty of veterans have told me I wish someone had used this approach to teach me HTML PHP jQuery C Ruby Java Python fill in the blank Experienced or not you ll probably like my book if you find other books too dense too technical and too unsympathetic to the learner s needs
