

About the New PMP Exam

We gathered feedback from leaders and practitioners around the world. The PMP exam has evolved to meet today's demands of the profession, organizations and you. It focuses on three domains you need to gain a competitive edge and prove you work smarter:

1. **PEOPLE** - emphasizing the soft skills you need to effectively lead a project team in today's changing environment
2. **PROCESS** - reinforcing the technical aspects of successfully managing projects
3. **BUSINESS ENVIRONMENT** - highlighting the connection between projects and organizational strategy

Content that spans the value delivery spectrum, including predictive, agile and hybrid approaches, will be included across the three exam domains.

The exam is comprised of:

- 180 questions (the previous exam was 200), but the same number of questions will be scored
- 230 minutes to complete the exam
- One additional break for a total of two 15-minute breaks for computer-based tests. No scheduled breaks for paper-based exams.
- Questions will be a combination of multiple-choice, multiple responses, matching, fill-in-the-blank, and limited true/false items. [See privilege questions to learn more.](#)
