An Introduction to the History of the Science of Politics Frederick Pollock,1890 **An introduction to the history of the science of politics. Repr. with corrections** sir Frederick Pollock (3rd bart.),1902 **Politics**,1997 *An introduction to political parties and practical politics* Perley Orman Ray,1913 The Challenge of Politics Douglas W. Simon,Joseph Romance,2022-01-07 This is a textbook that offers students a good introduction to the science of politics while emphasizing the moral empirical and prudential dimensions of politics Prosper Bernard Jr College of Staten Island The Seventh Edition of The Challenge of Politics by Douglas W Simon and Joseph Romance balances classic political theory with contemporary politics to help students understand the fundamental questions of political science The authors relate insights of classic political thinkers both to their modern counterparts and to the political dynamics of American comparative and international affairs With its theme of politics as a scientific study this book allows students to explore the impact of philosophy and ideology to recognize major forms of government to evaluate empirical findings and to understand how policy issues directly affect people s lives *Why Politics Matters: An Introduction to Political Science* Kevin L. Dooley,Joseph N. Patten,2020-01-01 Packed with current global examples Dooley Patten s WHY POLITICS MATTERS AN INTRODUCTION TO POLITICAL SCIENCE 3rd edition explains why politics is important to you and how you can get involved It gives you the building blocks to understand political science and provides a big picture of the field as it explores political theory comparative politics the U S government and international relations Thoroughly up to date it covers the rise of populism nationalism Brexit the Trump presidency U S relations with North Korea and China the pink wave in the 2018 Congressional midterms the impact of climate change on international relations and more In addition exercises throughout prompt you to think critically about chapter concepts and put what you learn into practice Important Notice Media content referenced within the product description or the product text may not be available in the ebook version

**Why Politics Matters** Joseph Patten,Kevin L. Dooley,2011-12 Follows a foundational approach to learning and gives students a picture of the political science field This book offers an integrated and customizable online reader CourseReader with a full slate of recommended primary source readings compiled by the authors *The Saturday Review of Politics, Literature, Science and Art*,1906 *State Power and Politics in the Making of the Modern Middle East* Lecturer in the Recent Economic History of the Middle East and Fellow Roger Owen,Roger Owen,2002-04-12 Roger Owen has fully revised

and updated his authoritative text to take into account the considerable developments in the Middle East in the 1990s

**Politics** George Andrew MacLean, Duncan Robert Wood, Lori Turnbull, 2020 Accessible and engaging throughout this introductory text examines politics from a Canadian comparative and international perspective Guiding students through the basics of political ideologies and institutions before moving on to more complex concepts this text covers essential questions regarding politics such as who has power in society and why how might groups participate in political activity how can we distinguish among so many types of political systems how is wealth distributed and why is conflict so prevalent in the world today This newly updated edition includes new coverage of populism the rebirth of protectionist nationalism and the politics of climate change and continues to use current examples and case studies from Canada and around the world *The Great Issues of Politics* Leslie Lipson, 1981

**Introduction to Politics** Roy Victor Peel, Joseph Slabey Rouček, 1941

**The New Science of Politics** Eric Voegelin, 1987-08-15 Thirty five years ago few could have predicted that *The New Science of Politics* would be a best seller by political theory standards Compressed within the Draconian economy of the six Walgreen lectures is a complete theory of man society and history presented at the most profound and intellectual level Voegelin's work stands out in bold relief from much of what has passed under the name of political science in recent decades *The New Science* is aptly titled for Voegelin makes clear at the outset that a return to the specific content of premodern political theory is out of the question The subtitle of the book *An Introduction* clearly indicates that *The New Science of Politics* is an invitation to join the search for the recovery of our full humanity From the new Foreword by Dante Germino This book must be considered one of the most enlightening essays on the character of European politics that has appeared in half a century This is a book powerful and vivid enough to make agreement or disagreement with even its main thesis relatively unimportant *Times Literary Supplement* Voegelin is one of the most distinguished interpreters to Americans of the non liberal streams of European thought He brings a remarkable breadth of knowledge and a historical imagination that ranges frequently into brilliant insights and generalizations Francis G Wilson *American Political Science Review* This book is beautifully constructed his erudition constantly brings a startling illumination Martin Wright *International Affairs* A ledestar to thinking men who seek a restoration of political science on the classic and Christian basis a significant accomplishment in the retheorization of our age Anthony Harrigan *Christian Century*

**Analyzing Politics** Ellen Grigsby, 2009-05-28 A brief accessible but fairly sophisticated overview of political science that encourages critical independent thinking **ANALYZING POLITICS** International Edition presents a clear outline of the discipline of political science This text is notable for its early coverage of methods and theory and the use of a case study approach introduced and used to acquire in depth information about a particular subject while also pointing to its limitations While the text covers fundamental concepts with contemporary political examples discussions of feminism and environmentalism offer a distinct departure from other texts and a unique opportunity to you as a political science student *Leaning Into Politics* Abraham Goldberg, Carah Ong

Whaley,2024-06-10 This book addresses the decline in democracy and confidence in political institutions highlighting the role of higher education in promoting civic engagement It examines challenges like voting restrictions hyperpartisanship and scrutiny of how colleges educate on public issues
