Mantra Healing Asha Singh, 2015-09-27 There are lots of ancient techniques for relaxation and peace that many people of the modern era simply do not understand People of modern societies would rather take a pill or find some quick way to make them feel better The truth is that anyone can make themselves feel better with the use of an ancient meditation called the mantra Mantras have unique spiritual powers that can help a person clear their minds of all mental thoughts while bringing them closer to the spiritual world where they can be at peace Many ancient religions have used this technique in the past to meditate and be closer to the spirits of the world Have you ever heard of Hinduism or Buddhism These ancient religions of India were the very first two religions to use mantras and incorporate them into a meditation practice For over 3000 years mantras have continued to be used in these religions and have also been derived into many other religions that
