Cambridge Essential English Dictionary 2nd Edition:

Defining with Simple Vocabulary in English Dictionaries Mariusz Piotr Kamiński, 2021-04-15 This book investigates an important but under researched aspect of dictionary making the use of a controlled vocabulary in definitions The main concern of the author is the role of a definition vocabulary in how foreign learners understand and perceive dictionary definitions The author takes the reader through a detailed historical account of controlled vocabularies and examines definitions in a range of English dictionaries with respect to their vocabulary loads He performs a series of experiments with university students to reveal merits and shortcomings of restricted vocabularies This monograph has been written with the aim to fill a gap in the literature on defining vocabulary It is intended for lexicographers dictionary editors course designers teachers and students as well as anyone who wishes to explain words in an intelligible way How Nature Matters Simon P.

James, 2022-07-28 HOW NATURE MATTERS presents an original theory of nature's value based on part whole relations James argues that when natural things have cultural value they do not always have it as means to valuable ends In many cases they have value as parts of valuable wholes as parts of traditions for instance or cultural identities James develops his theory by investigating twelve real world cases ranging from the veneration of sacred trees to the hunting of dugongs He also analyses some key policy related debates and explores various fundamental issues in environmental philosophy including the question of whether anything on earth qualifies as natural This accessible engagingly written book will be essential reading for all those who wish to understand the moral and metaphysical dimensions of environmental issues **Reference and**
