

The Symbol of Postmodernism

(Frank Gehry)

What?

Contemporary architects are using increasingly radical forms for domestic buildings that were once regarded as ordinary. Architects are embracing forms that challenge the traditional idea of architecture as a functional space that is defined by form.

Model 1 - The 1994 Vancouver Children's Centre

Model 1 is a symbol of the way in which architects are representing a new way of thinking about architecture.

The building's design is a reflection of the way

we

think about architecture and the way

we think about the way we think about

the way we think about the way we think about

the way we think about the way we think about

the way we think about the way we think about
