How to Blog Mark Growt,2020-11-11 There are tens of thousands of blogs created every day online Most of these blogs are merely hobbies or personal diaries of the people who create them For some blogging is merely a creative outlet to express their inner thoughts

or to simply broadcast their opinions to their audience For others blogging is a vehicle for building a business and continuing to do what they love while having control over their destiny This is the reason I developed an interest in blogging to create content people love and to build on something that I have full control over while being able to work anywhere in the world Blogging is not something that just about anyone can do Sure we can all create a webpage throw up and blog and start posting to our hearts content but that is no guarantee it will be successful whether you count success as having a large following or making an income to support yourself with Blogging takes incredible persistence and determination without these your blog will be neglected and fall back in line with the majority that can never make any money Treat your blog as a successful business and have a clear vision of the goals you have in mind to take it to the top Here are some of the chapters covered in this guide Getting started Position your blog as a voice of authority Outsource to build a blogging team Creating a lead magnet The dashboard Customizing your website s appearance Blog monetization digital products ebooks Monetizing through sponsored posts Website flipping Listicle blogging How to build an email list Guest blogging Types of content that can sky rocket your blog traffic Best blogging resources Common mistakes AND MORE This book was designed to help you develop a greater understanding of how blogging can be a serious business that can help you earn serious income If you want to generate six figure income through blogging this book can help you do that Remember the process of generating a profitable blog is not an art it s a science There are specific strategies that can be enforced and things that you must consider to generate the income you desire Should you follow these steps however then it should be easy and feasible for you to generate six figures or more every single year from your blog

Blogging for Profit Anthony James, 2018-01-24 Blogs are a dime a dozen on the internet these days and so easy to start that if you have a passion for it you too could have a blog up and running in no time at all While there may be more blogs than you can count on the internet these days there is one thing that separates successful blogs from the average blogs successful blogs make money Who would have thought that making money from a blog would be a real thing a couple of years ago But today making a profit from your blog is more real than ever before And just about anyone can do it With the right guidance and the right strategies in place to really push your blog to its full potential you too can turn an average blog into one that steadily generates income for you every month Who s ready to start monetizing their blog for profit

Taking a nuanced approach that offers a complete view of every available monetization strategy Weil's book provides readers with all of the insight they could possibly need to make informed decisions regarding the development of an overarching monetization strategy. An especially valuable book for beginning bloggers, Weil's explanations are clear and concise so readers that may be largely unfamiliar with the world of blogging will feel quite confident as they make their first foray into the valuable online platform. Unafraid to admit the mistakes he has made during his career as a blogger, Weil's self-deprecating tone belies the colossal success he has enjoyed while writing about subjects he so thoroughly enjoys. In his book, Weil explains how he learned from his initial mistakes and offers advice to readers regarding how to avoid those mistakes and how to bounce back after any possible misstep. Weil consistently emphasizes the importance of consistently producing quality content and offering something of value to readers, so his book offers valuable insight regarding the appropriate use of monetization strategies while maintaining a clear commitment to loyal readers. Weil is something of a rarity in the blogging world as he has been able to achieve an impressive level of financial success without ever compromising the quality of his writing. In his book, he explains to readers how they can achieve a similar level of financial success while remaining committed to producing consistently outstanding work.
