

## Module 2: An Introduction to Conflict Resolution

People often assume that conflict is always negative. This is not true! People are inherently different, and conflict simply happens when those differences come to light. Viewing conflict in this way can help us maximize the possible positive outcomes of the problem at hand. Equipped with a conflict resolution process, people can explore and understand those differences, and use them to interact in a more positive, productive way.

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
